Brian
 Thanks so
 much for the help
 in chemistry and on the
 bus schedule. I hope to get
 to know you better this summer or
 next year. Take care Love
 P.S. I would of it to Denise Schlyp
 so she could without your help

Brian
 you been a big help
 to me in chemistry.
 hope to have you in some
 classes next year. Have a
 fun summer, and good luck
 Jeff Shippey

Brian,
 Thank you for going
 to the store for me
 and helping me catch
 the right bus at the
 right time. Love

 Art Espe

Brian,
 you are really
 sweet and smart.
~~Really~~ Really glad you
 I'm really glad you
 were in my science
 class. Hope to see you
 next year. Stay sweet.
 Have a fun summer.

Shadle Park High School!

Shadle Park High School!

The TIME is Now!

OH, And what a time it was; School began,
after a long hot summer

No longer

No hotter

than any other summer.

Upon that first day, three groups
Converged upon SHADLE.

Sophomores,
wishing they were juniors,
got off on an open campus for the first time.

Juniors,
wishing they were the seniors,
cried "Thirty minutes for lunch?!!"
This year they were in

the middle.

But

If it was year three;

You was on your way out, Jack!
and you found it hard to believe that you were,

The Seniors
You could leave early or
you could
stick it out
till

June

Just a matter of
Time...

Everybody is A Star!

There's a lot of different kids
 here
 and as kids go
 we aren't all that bad
 We come with
 all lengths of hair,
 a full set of teeth,
 and we wear:
 tank tops, baggies, seafarers, levi's, pumas
 boat shoes and heels;
 and
 minis, maxis, clogs and an occasional
 hafter.
 We have our share of interests too
 some of us indulge in;
 ASB, GL, AFS, FFA, IRC, MUN, PICI, and BS
 for others,
 football, baseball, tennis, golf, cross country,
 basketball, wrestling, swimming, debate?, gymnastics,
 and even a girl's track team.
 And some of us
 don't
 belong,
 compete,
 work,
 or indulge.
 For us school;
 starts at 8 00 and finishes
 at 2:30.
 Some of us can't stand school that,
 long
 so we
 skip, or
 get an early dismissal
 oh well
 different strokes
 for
 different folks.
 That's the way we were in
 nineteen hundred and seventy five.

"A teach affects eternity; he can never tell
 where his influence ends"
 (Henry Adams 1838-1918)
 We have just as many teachers as we do students.
 One for every class from-
 Film Production to
 Trigonometry to Cake Decoration.
 Almost sounds like a college
 doesn't it?
 On a whole they're a great Bunch of people.
 And whether we know it or not
 they influence us
 all—
 Counselors too,
 for
 your schedule,
 your problems,
 when you're in trouble,
 for the girls,
 for the guys,
 the sophomores, the juniors, the seniors,
 and even one to help plan the rest of your life.
 Sounds like plenty to go around,
 but, you still need an
 appointment
 to see one.

We're Number One
We're Number One
We're Number One

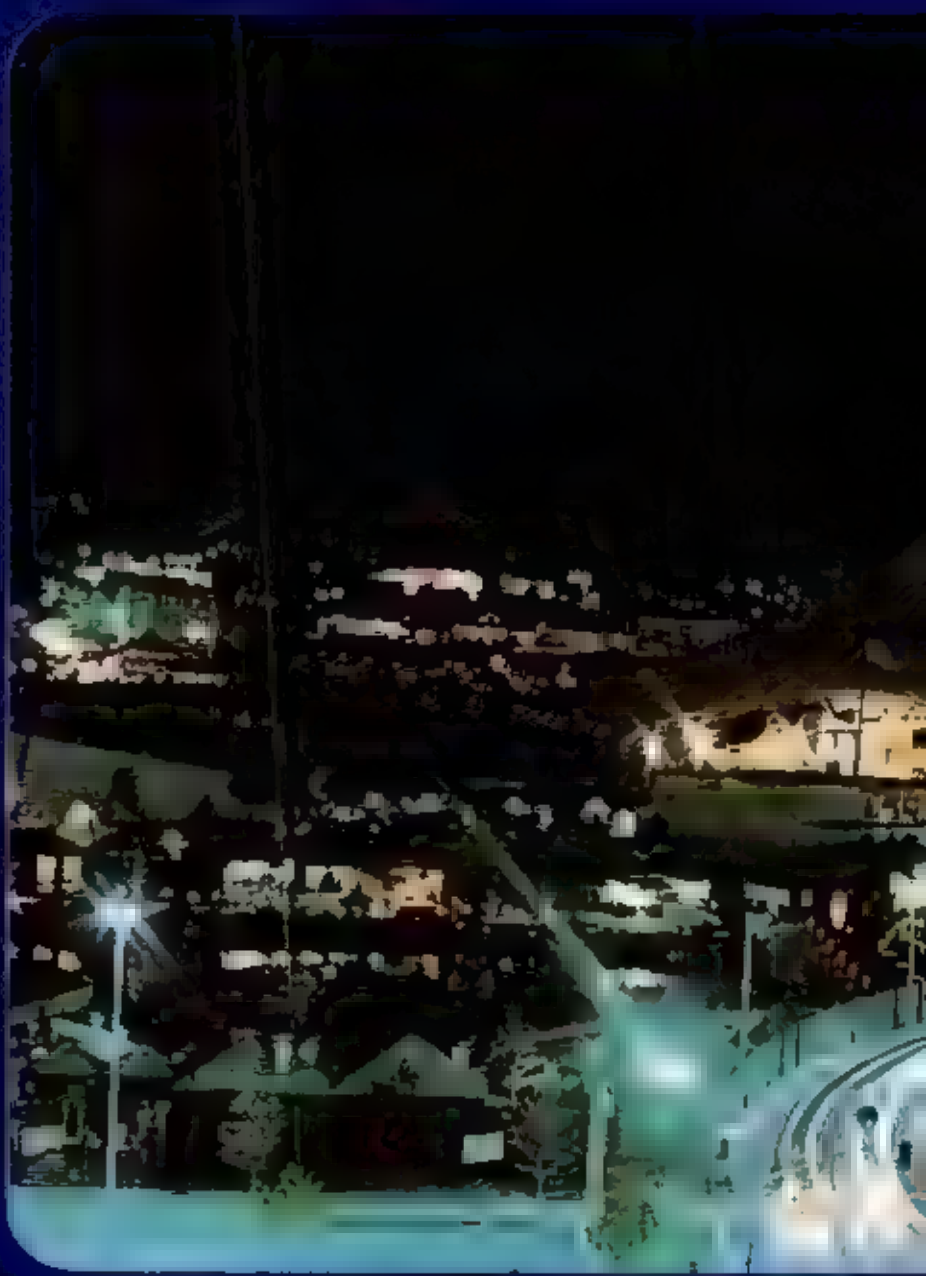

Yes, I'm wise but it's wisdom born
of pain.
Yes, I've paid the price
But look how much I gained, if I had
to I could do anything
I am born
I am invincible

We claim we hate
 the competition of
 GONZAGA, ROGERS, NC, LC, AND FERRIS,
 but not after we
 WIN
 we all claim top notch for
 everything
 football, basketball, wrestling, SPIRIT
 and a book could be written on the rest.
 We strain throats at Albi and the Coiseum
 and whether we are or not we'll always claim
 NUMBER ONE!
 But when the season ends
 so does
 the savagery
 and we look
 ahead to the
 next season.
 After all we
 do have one thing in common
 We're just kids,
 kids
 like any other kids in America
 and kids are just,
 people
 and people are only,
 human
 and humans are only .

Excitement '74

Three years ago they said maybe just maybe
Expo 74.

But the world came to Spokane, USA for six
months to enjoy a world's fair.

It was open "to all the people of the world"
if you had 4 dollars.

But if you had a season's pass,
it gave you something to do on
a Saturday night or
a reason to skip.

There was;
Russia
Mandrake
the River
the Fireworks
the RRGTCB
and Don McLeod.

But it's all gone now and what remains is
a new park, the Sheraton, and the big beautiful
Opera House.

November 74 we said good-bye, good-bye to Expo,
the expo that brought us

John Denver

Chicago

ZZtop

the Carpenters

Helen Reddy

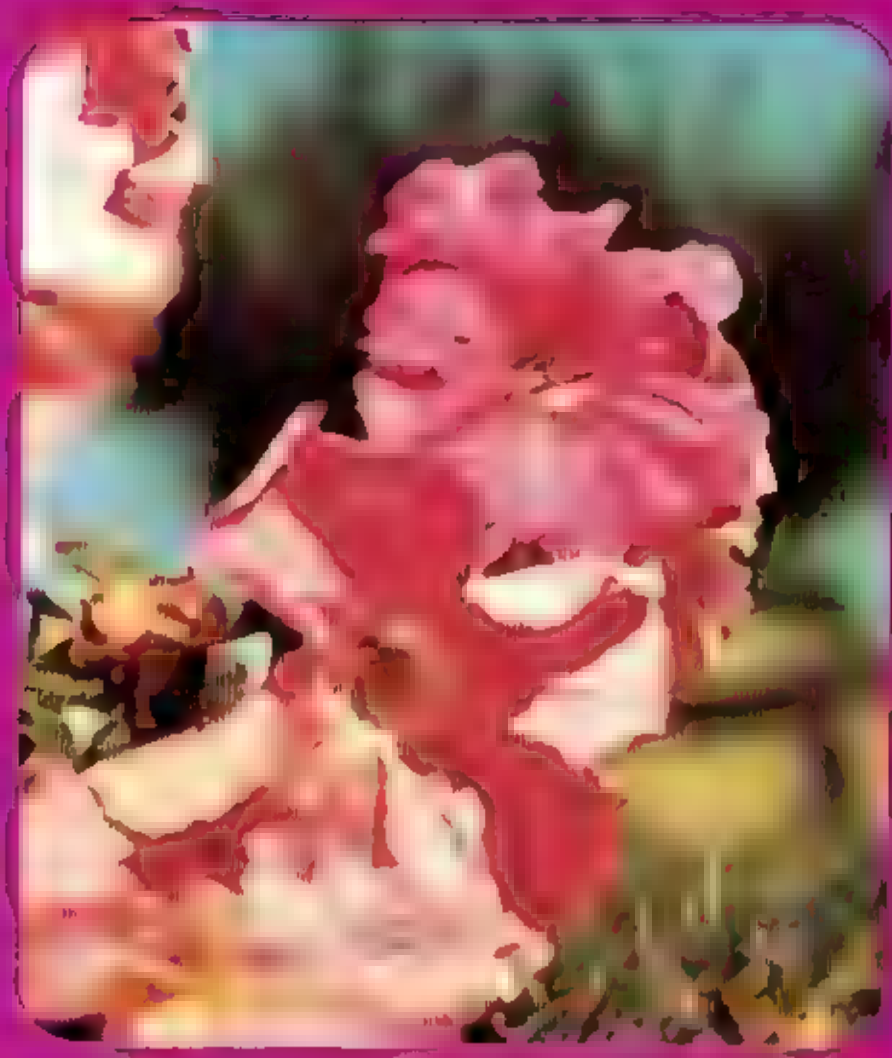

and Brian Cadd.

Autumn

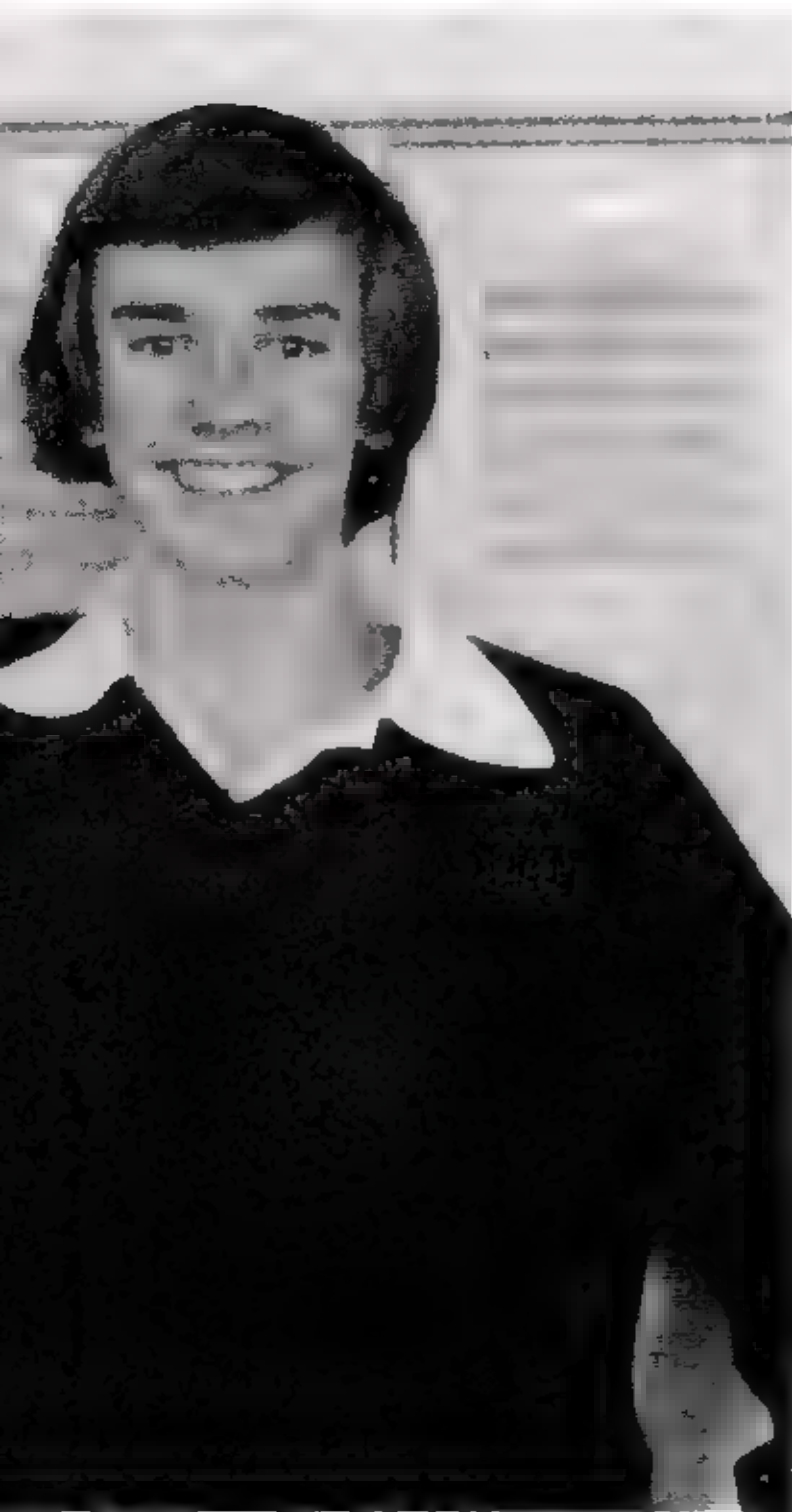

Highlander Week Spirit Diminishes

Highlander Week is the traditional week at Shadle. One of the days is Hi-Student Day. On this day the students are not supposed to get any homework. This year on Hi-Teachers Day the students took the teachers to lunch, instead of giving them coffee and cookies. On Hi-Lassie Day Lassies rule, and on the next day Hi-Laddies take revenge. The last day of the week is Hi-Henderson Day and on this day there is a Pep Con, and the traditional Highland Fling that night. That night the friendliest boys and girls were announced. Due to lack of spirit and involvement, Highlander Week diminished this year.

Above: Heidi Nelson is put to the test on Hi-Lassie Day by Bud Lindsey.
Top: Kellan Fischer performs his male duties on Hi-Lassie Day.

Top: Friendliest teachers this year were Mrs. Dennie Moore and Larry Parton. Left: Friendliest Senior Girl Tami Congleton is pictured here with friendliest Senior Boy Mike Bonesch.

Top Left: ASB officers take a break from the classroom routine to splash some striking smiles into the camera lens. Top Right: 5th Executive, Linde Beach a passive pose while sipping coffee. Above ASB Counselor Wayne Chandler, Right: Treasurer Mike Benesch and Vice-President Dave Zaccaria grab refreshment on a day of excursion to Seakirk.

First Female Heads Active ASB

Main responsibility for the fall Associated Student Body were in the hands of five officers. These people were concerned, cooperative, devoted, to making Shadle an active, better school. They worked persistently, meeting everyday sixth period in Wayne Chandler's office.

Their activities were carefully planned, organized, and fretted over. They highlighted the annual Highlander Week, the Don McLeod Mime convocation, the Juvenile Detention Bond issue, Senior Citizen Gold Cards, and the Christmas dance and project.

In more ways than one, the fall semester was special. For the first time in Shadle's history the A.S.B. was headed by a female. President Tracy Rothstein. Her fellow officers include Vice-President Dave Zaccaria, Secretary Pam Liske, Treasurer Mike Benech and Fifth Executive Linda Beach.

The representatives provided communications between the A.S.B. heads and the rest of the Shadle Body and although they acquired a habit of passing bills too lightly, they proceeded to carry them out with zeal and responsibility. Without these people the A.S.B. could not have been the working group that it was.

Fall's officers present their sentiments toward Shadle in this following poem and statement.

We love you not only for what you are but for what we are when we are with you.

We love you not only for what you have made of yourselves, but for what you have made of us.

We love you because you have done more than anyone could have done to make us happy, and more than any fate could have done to make us good.

You've done it without a word, a touch, or a sign. You've done it by being yourselves and perhaps, that is what being true friends really is.

"Thanks for all your help and support and for giving us the opportunity to make this our best year at Shadle, and hopefully one of yours!"

Fall Girls' League Strives For Unity

Below Left Leanne Smith, Barb Bauer and Sue Overbust make up the Executive Council. Below Right Shadle's representatives to Girls State were Sandy Hebert and Barb Bauer. Right At the annual Sadie

Hawkins Dance a competition was held concerning costumes in different areas. The winners include Mary Nock and Dave Baskin for the most Dogpatch. Warren Frynn and Beth Augustine for the Most Original, and Linda Potter and Mark Cuzzeto for the Most funny.

Opening day's confusion.....Opening day's confusion was partially solved by the help of the Girls' League Big-Little Sister plan and the con held before school opened so the girls could become acquainted with some of the school's organizations.

On October 3, 1974, the Girls' State Con was held. Featured speakers were Barb Bauer and Sandi Hebert, Shadle's representatives to Evergreen Girls' State, held during the summer. Also in the program were the introductions of some of our foreign students and talks by the Fashion Board Representatives.

The Sadie Hawkins Dance was held on Saturday, November 23, in the school gym. This annual girl-ask-guy dance was the biggest dance of the year. Everyone wore costumes in the Lil' Abner comic theme. Prizes were awarded for the best costumes in certain categories.

Another activity during the fall was the Dad-Daughter Dessert. The girls and their dads gathered at the school for an enjoyable evening of entertainment.

A fashion show with the theme of "Falling into Winter with Shades of Autumn," and several service projects led by the Courtesy Committee were also included during the semester.

Striving to "keep unity within the school, become closer acquainted with the girls of Shadle, and give girls more say in everything that goes on," were the goals of officers, President Shery Murphy, Vice-President Mary Zuege, Secretary Kim Kiohe and Treasurer Debbie Meyers. They were assisted by an Executive Council made up of Senior Barb Bauer, Junior Sue Overbust and Sophomore Leanne Smith

International

Friends Grace Halls

1974 brought six international students to the doors of Shadle. Each from a different part of the globe but mainly from Europe, South America, Africa, and the Orient.

Antje Hadler, a pretty blonde from Hamburg, Germany was here on the Youth for Understanding Program. She involved herself in tennis, art, knitting, hiking, and enjoyed spending time at the ocean.

Our American Foreign Exchange Student this year was Thomas Henriques of Sweden. He was quite an outstanding athlete being a national speed skater in his own country. Thomas also joined Shadle Park's cross country team this year and as Coach Kovick commented, "I admired his courage and willingness to compete. He was an intricate part of our program." But Thomas' interests were not confined to athletics. He also enjoyed playing the guitar and singing. His home in the United States was spent with Senior Jan Boberg and her family.

A touch of Latin flavor was brought to our halls by Juan Iruiralde of Quito, Ecuador. He enjoys music and American girls as well as competing on the Shadle Park Golf Team. Like Antje, he enjoys the ocean.

Kau Dokpa, another YFU student is from Liberia, Africa. Since her stay in America, she favors "Little House On The Prairie" above all other television programs. She also likes the American hamburger and hot dog. Her stay will extend till the end of the 1975-1976 school year.

Shadle's Thai friend Panida Dang Boonyawattana is a shy, lovely person. She commented that she liked the system of Shadle and the privileges of choosing her own subjects. Cooking, crocheting, and swimming is her "Cup of Tea."

The last of our International friends is Dan Fong of Hong Kong. His Shadle schedule keeps him busy with Intermediate Math, German and U.S. History to name a few.

Publications Stress Informative News

Shades publication classes have had a successful year. The SPORRAN editor Dave Zaccaria and Hi-Lites editor Gary Gibbs have generated many new ideas for their publications.

Gibbs achieved more organization in the paper than in past years and also succeeded in getting more features from outside the Shadle community. This years editors were Karol Stover, Marlene Schaffner, Maria Lundin, Cathy Akiyama, and Mary Aked. The reporters were Mark Craze, Gretchen Glass, Terri Hanley, Larry Hart, Andy Herman, and Dan Thomas. The photographers were Shern Hicks, Barry Meyer, and Scott Thomas. Carl Crowe was this years advisor.

SPORRAN editor Dave Zaccaria used more color in this years annual than had been used in past years. He also decided on focal point as this years layout format. This year's yearbook staff was made up of 37 hard working members. Neil Dressler was this year's advisor.

Neil Dressler made the following comments about the SPORRAN "One picture is worth ten thousand words" and "the good old days were the best" are two of the thoughts which promote a yearbook. The SPORRAN staff set out to photographically document the activities of the Shadle Park Student Body and make up a collection of memorabilia which will offer a prod to the memory at some future time. SPORRANS appear before the tenth, fifteenth and twentieth year reunions and again when in passing conversation someone asks, "What ever happened to old what's his name?"

Newspaper staff members include: Front Row: Mark Craze, Mary Aked, Terri Hanley, Row 2: Cathy Akiyama, Gretchen Glass, Karol Stover, Birdie Grey, Gary Gibbs (editor), Marlene Schaffner, Larry Hart, Dan Thomas, Andy Herman, Maria Lundin.

Spending five days in Ellensburg at the cheerleading clinic last summer, this year's cheerleaders learned several new chants, and acquired ideas for creating their own cheers.

The cheerleaders, in promoting team spirit for all athletic activities, sent candy-o-grams, gave decorated cookies, stuffed lockers with balloons, and decorated homerooms, houses, and lockers.

Some of the cheerleader's other activities included, planning pep cons and skits, having someone present at all athletic functions, serving at awards banquets, and meeting the exchange students at the airport.

Football Season Ends 4-5

SPORTS: The thrill of victory, the agony of defeat. Howard Cosell couldn't say it any better. Seemingly football means a little more of both. 1974 was no different. In the third game of the season, a fumble, that little fumble may very easily have had a drastic psychological effect on the team as a whole. What looked like a team headed for it's first city title soon became a third place team. Well there's always next year and the chance is there again. Shadle ended it's season with a 4-5 record. After edging North Central and Ferris the Highlander squad met a melancholy defeat to Lewis and Clark. The following week we were routed 62-15 by the astounding Bullpups who had only the week before stymied Rogers 68-6. Then we were back on our feet to defeat the Pirates, only to turn back to the Indians for a 44-15 loss. This set two records for NC; it was the first time they beat us in six years and the first time they had won three in a row in fifteen!!!! After that it was back to our arch rivals the Saxons. Once again Shadle prevailed. The following two were dropped to LC and the Zags. After an 86 yard run by Doug Burkhardt it appeared we had the game, but we didn't score again till the forth quarter on a 20 yard run by Phil Liggins. This year Greg Matsch, Ron Mahoney, Scott Morton, Alan Grey, and Jeff McGougan are offered congrats for an outstanding season.

Seniors Greg Matsch and Mark Farr were Shadles All City selection for 1974.

Both Matsch and Farr were selected for the SPOKESMAN REVIEW and SPOKANE DAILY CHRONICLE All City Teams.

Senior Scott Morton received Shadles Most Inspirational Award for Football presented to him at the award banquet for Fall Sports for 1974

Morton was also selected as All-City Captain for offense by the SPOKESMAN REVIEW.

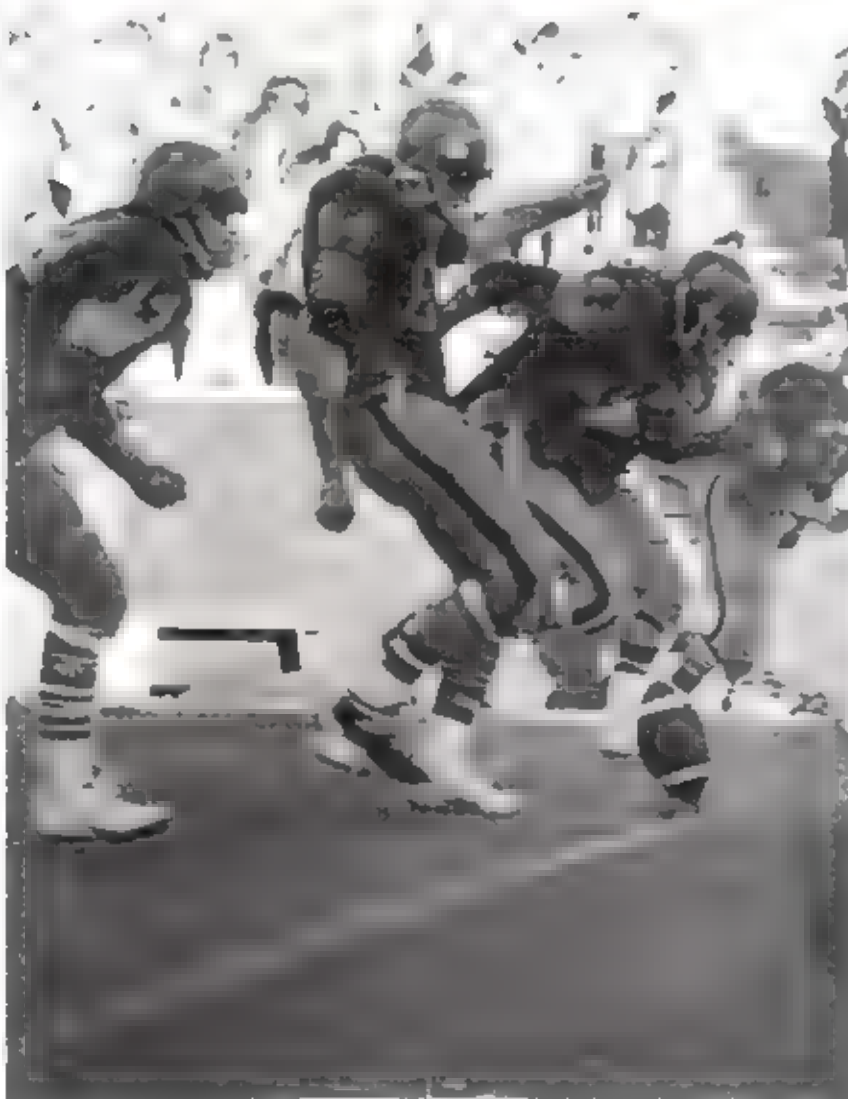

Morton who was injured early this season in the game against Gonzaga Prep played a big roll on the Shadle Team while out for the rest of the season with a shoulder seperation.

Greg Matsch a three year veteran on Varsity Football was selected as all-city Tight End for the Spokane Chronicle, and Place Kicker for the Spokesman Review.

At the awards Banquet on November 20, 1974 Greg Matsch received the Captains award for outstanding leadership on the Field and, a plaque for lettering three years in a row at Shadle for Varsity Football

Mark Farr whose brother Ted an All-City and All-State Football Player in 73 received alternate on defense by the SPOKANE Chronicle and Defensive Tackle on the Spokesman Review.

B-squad football is the first taste of the man's game of football. It's the first taste of high school competition, of high school aggression, and of high school glory. This year's team showed great potential for next year's varsity team. They finished with a 6-2 record after beating Gonzaga 6-0 and being for the city title. Tim Morton like his brothers Scott and Rick showed the greatest potential. Tim led in tackles with 98, he led in fumble recoveries with 8 and was second in points scored with 24. Mike Elliot led in scoring with 30 points. The leading interceptor was Doug Michelson with 4.

Scott Conley; Tom Henriques Assets to Cross Country

Losing only two of its meets the Shadle Park Cross Country Team has great expectations for next season. With the return of several lettermen the team did great. Scott Conley was the greatest asset to the team. Scott went to state along with Tim Riley of Ferris. Scott also added to his achievements by being named "Athlete of the week" twice and Cross Country captain. Mike Benesch was named as most inspirational and received a trophy for that Honor. The team also had another outstanding member, Thomas Henriques, our AFS student from Sweden. Tom was an exceptional speed skater in his own country and he wasn't bad at Cross Country either. Mr. Kovick had this to say "I admire his courage and willingness to compete. He was an intricate part of our program."

It was a good year.

I should say it was different. Thanks for helping me with my Geometry. Stay as nice as you are forever.

Volleyball New to Shadle

Volleyball was a new thing for the girls here at Shadle. With Mrs. Sheridan as their coach, the Varsity team won six city league games, losing their only game to L.C. The B-squad team didn't do quite as well as the Varsity team. They won two games and lost five. But Mrs. Sheridan says, "As this was their first year competing, I feel that they all, both the Varsity and B-squad teams, did a very outstanding job."

All in all, the Varsity team took second place in the City League. Even though they didn't quite make it to State competitions this year, Mrs. Sheridan says that they are sure planning on going to State next year.

Dear
Mrs. Sheridan
I have had fun
trying to learn
this new game
and I hope this
helping me
to become a
better player.
Thank you
for all the
help and
encouragement.
I will be
back next
year.
Love,
Katie

Lil' Abner, a musical comedy was performed in the Shadle Aud. on the 14th, 15th, and 16th of November. Based on charcters created by Al Capp. It was directed by Carl Crowe and the Orchestra was conducted by Jon Bentz. Neil Dressler and Dannie Moore did an excellent job with the choreography.

The play begins in Dogpatch U S A., where Mammy Yokum (Laurie Cappello) and Abner (Doug Favaro) are discussing Abner's marrying Dasiey Mae (Sandy Ericson), but Earthquake McGoom (Darby Duchow) wants to marry Dasiey Mae. Soon after, Sen Jack S. Phogbound (Nick Vohns) and a U S. government man (Bob Thompson) tell the Dogpatchers they have to move because Dogpatch was deemed as the most unnecessary place in the U S A., so the government could blow Dogpatch away with an atom bomb. The Dogpatchers tried to find something necessary Mammy Yokum, who had the only Yokemberry tree, suggests Yokemberry juice and saves the town for awhile. Five husbands (Ron Mahoney, Scott Morton, Ron Fry, Erich Mass, and Mark Love) are volunteered by their wives (Laune O'Hare, Julie Miller, Julie Weber, Sheri Davis, and Becky Brett), to test the Yokemberry juice for the government. At this point General Bullmoose (Dave Zaccaria) from Washington D C. decides he wants the Yokemberry juice for his own profit, but Abner has promised to give the formula to the government. Back in Dogpatch, the Sadie Hawkins Day was about to begin. Gen. Bullmoose decides to use the Sadie Hawkins Day to snare Abner into marrying Appassionata Von Climax (Lajuana Zier), Bullmoose's secretary. Gen. Bullmoose enlists the help of Jones the Evil Eye Fleagle (Ron McClung) who did strange things with his wammy's. Daisy Mae in turn recruits Stupefying Jones, a beautiful young girl who stops men dead in their tracks. When they got hold of Abner, Bullmoose plans to kill Abner after he married Appassionata Von Climax and when they

Lil Abner Smash Hit As Second Musical

could get the formula, using the strange powers of Evil Eye Fleagle

The Dog patchers got wind of the scheme and decide to go to Washington D C to save Abner somehow Earthquake McGoon said he will save Abner, only if Daisey Mae will marry him

To get the formula for Yokemberry, Gen. Bullmoose used Evil Eye Fleagle who will use a truth wammy, but Abner must take dring for it to work so Gen. Bullmoose has a party and the Dogpatchers crash it Earthquake McGoon saves the day and Abner by using a drink tray, reflecting the truth wammy intended for Abner at Gen. Bullmoose who tells the whole scheme from beginning to end to the police

Abner was saved, but Dogpatch wasn't yet, because it was found that Yokemberry was useless. The husbands all had beautiful bodies, but no sexual desire

Daisey Mae still had to marry Earthquake McGoon until McGoon saw the relatives of Daisey Mae that were going to move in with them Earthquake McGoon gave up his right to the hand of Daisey Mae

Meanwhile, the U.S. government was going to blow Dogpatch away, until Pappy Yokum (Jack Anderson) finds a plague signed by Abraham Lincoln comemorating the statue of Jubliation T. Cornpone The town of Dogpatch is saved because it is illegal to deface a national monument. A complicated plot indeed, but with near sell out crowd for three nights the audiences must have enjoyed it

High School Bowl Scholars Gain Berth in Spring Semi-Finals

Justly, this page is devoted to the scholarly members and coach of the High School Bowl.

Their performance this year was exceptional as they won their two fall matches with astounding leads in scores, qualifying for the spring championship rounds.

The competition was held at the Q-6 studios in Spokane and amidst the hustle and bustle of setting the cameras, briefing the crowds on the Q-6 routine, and prepping the players both tapings (held Nov. 13 and Nov. 20) went smoothly.

Mr. Evan Bell, Humanities teacher at Shadle, advises this team of five members: Larry Numata, captain Dwight Dively, Stuart Lowe, John Webster, and the alternate Diane Sproul. Mr. Bell said this about his competitive team members, "They all recall and give out information with machinelike rapidity."

Each of the active members had accumulated a vast amount of knowledge in the basic subjects of literature, science, etc. The only subject they were a bit weak in was geography so commented Mr. Bell, and even that was not apparent. "It will take a mighty good team to beat Shadle."

Winter

Christmas 74, Joy,

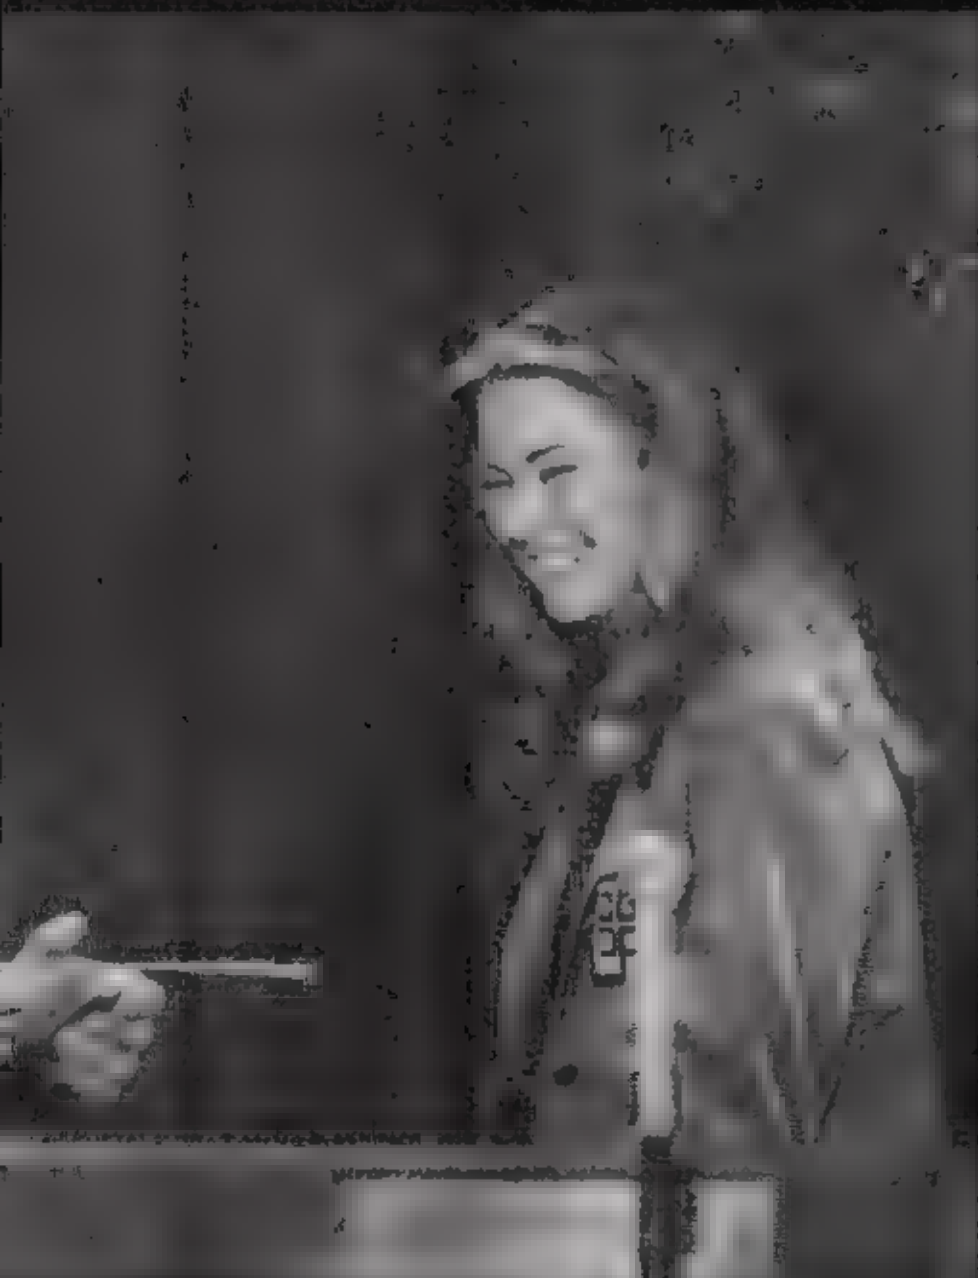

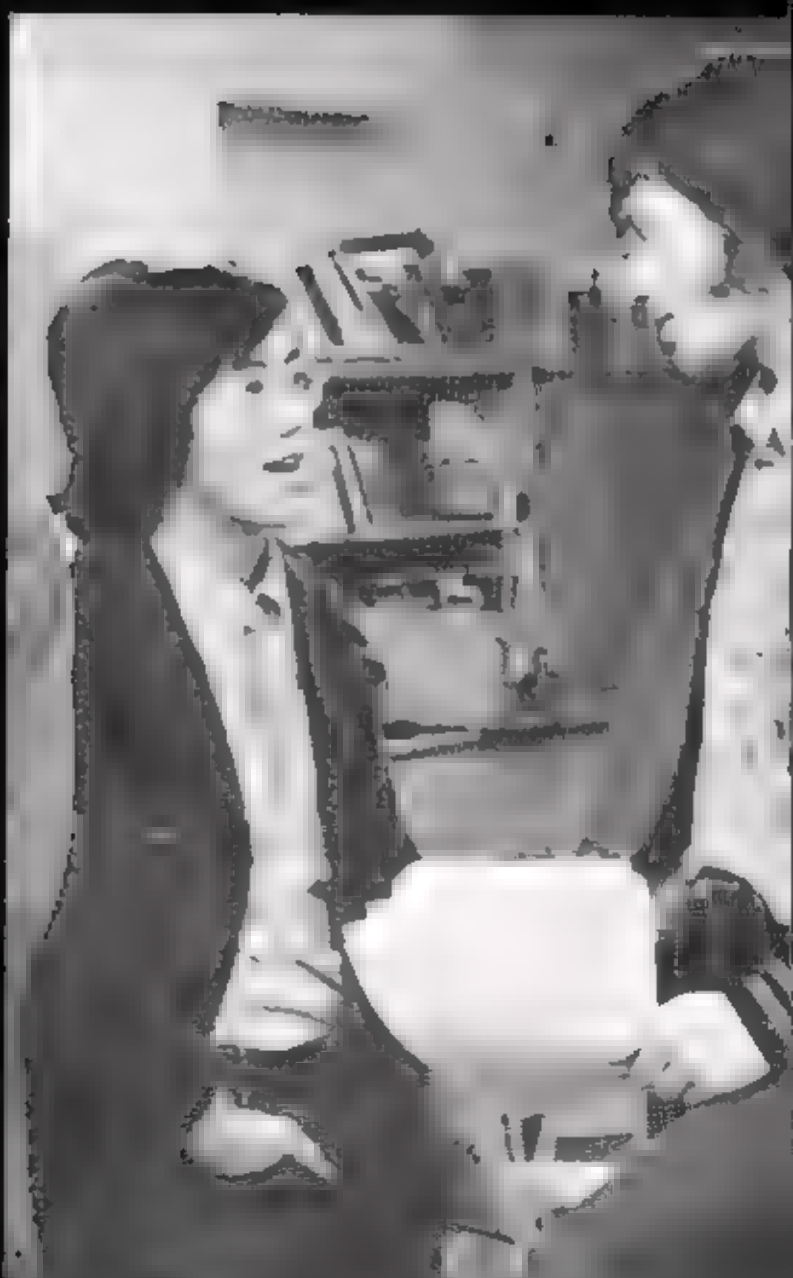

Christmas is a time of Giving, of joy, warmth, and happiness. Here at Shadle we spread a little more of each. Old man winter started things off by dropping off more than a foot of snow before Christmas. And up on the mountain the skiing wasn't too bad either, ask any one who skis. The joy of giving was apparent when Shadle raised more than \$1200 to divide among the needy families at Shadle. ASB was the mother club who collected money from other classes and groups. The ASB held it's annual Cerebral Palsy party and bought gifts and refreshments for 84 children at the Garland school.

The KJRB All Americans came to Shadle December 12 and after the faculty led through the most the game the All Americans surged ahead to win 62-57. Oh well, what do you expect from bias refs?

Below: Molly Lamberson and Dennete Schlepp romp in the new fallen and still falling snow. Senate Works With School Officials For Benefit of District 81

Amidst the steaming hot cocoa in styrofoam cups, representatives from the district high schools met to discuss the of the schools government and the betterment of Spokane.

This year Shadle's senior Inter-high School Senate rep was Larry Numata and since the non-senior rep's office are held between the middle semester of the past year and the middle semester of the next year, Shadle had two non-senior representatives, Bettina Lee and Pam Lear.

Inter-High meant alot for the school's A.S.B. Projects such as the campaign for the school levy, "Gas Watchers", Muscular Dystrophy, and the campaign for the Juvenile Detention Bond were brought up by the Inter-High Senate this year. Most important Inter-High provided communication between the city students and superintendent of school District #81 Dr. Walter A. Hitchcock and other city officials.

Shadle's representatives and A.S.B. president were accompanied this year by Vice-Principal Don Cobb to the every third Wednesday, Inter-High Senate meetings held in the Central Services Building, downtown.

Their spring semester was very busy. Inter-High decided to take on an enormous project called "Thank You Spokane". It involved a city wide attempt to help the community, by the students. President Mike Ormsby (North Central) and secretary Bettina Lee headed this program.

Inter-High Senate representatives, Bettina Lee, Larry Numata, Pam Lear and Don Cobb pose in front of the Administration building following an Inter-High Meeting.

Shadle Park, at one time was ranked as one of the top 10 teams in the state but after dropping 2 games they dropped from the list. Finishing with a 15-6 record they only fell to four teams. U High, in the Christmas Tourney, whom they beat 65-59 in early season play, Richland, LC, and Rogers. University was ranked No. 2 in state. Shadle was the only team to defeat the Titans. Shadle dropped 4 league games to Rogers and LC but beat G Prep 66-42 who won 1st with Play off. A complicated season? Yes, but the team proved itself when it had to.

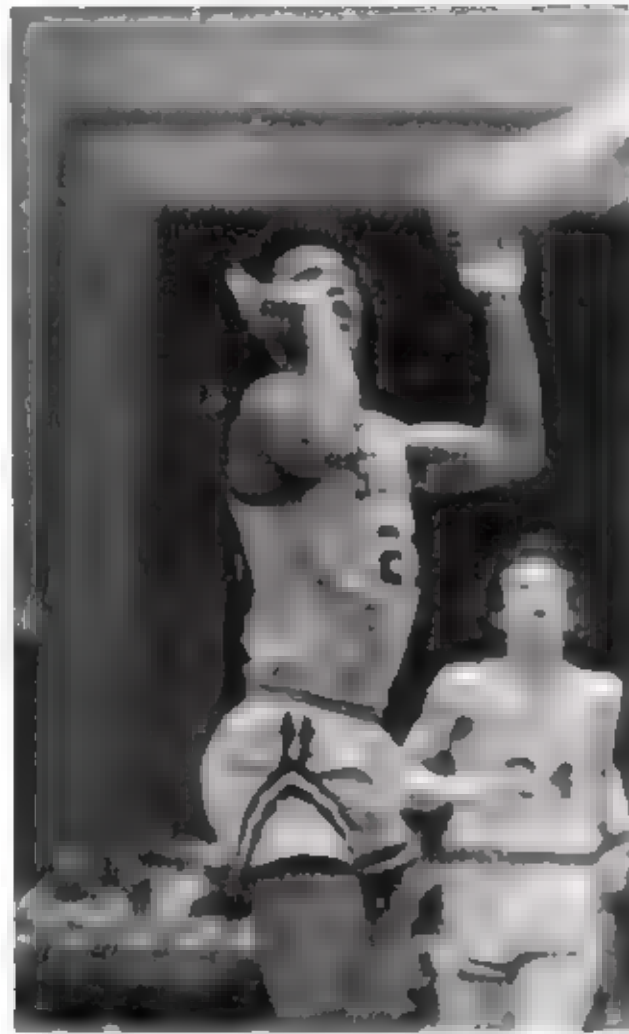

The team was lead by Kevin Campbell. In total points Kevin Campbell lead with 382, second in the city. He was followed by Doug Favaro with 201 pts. Kevin lead in Free throw percentage with 82.9%, highest in the city. He was followed by Kim Hubbart with 80%. In field goal percentage Kevin Campbell lead with 56.7% followed with 47.2% by Mark Sannes. In rebound Kevin lead the city with a 194 followed by Doug Favaro with a 117. In Floor Game Points (Assists, Steals) Kevin Campbell lead with 108 followed by Phil Liggins with 89. Kevin had a chance at breaking most Free throws in a row but missed by 4 with 26. All in all a tremendous season.

Shadle Takes Third In Holiday Tourney

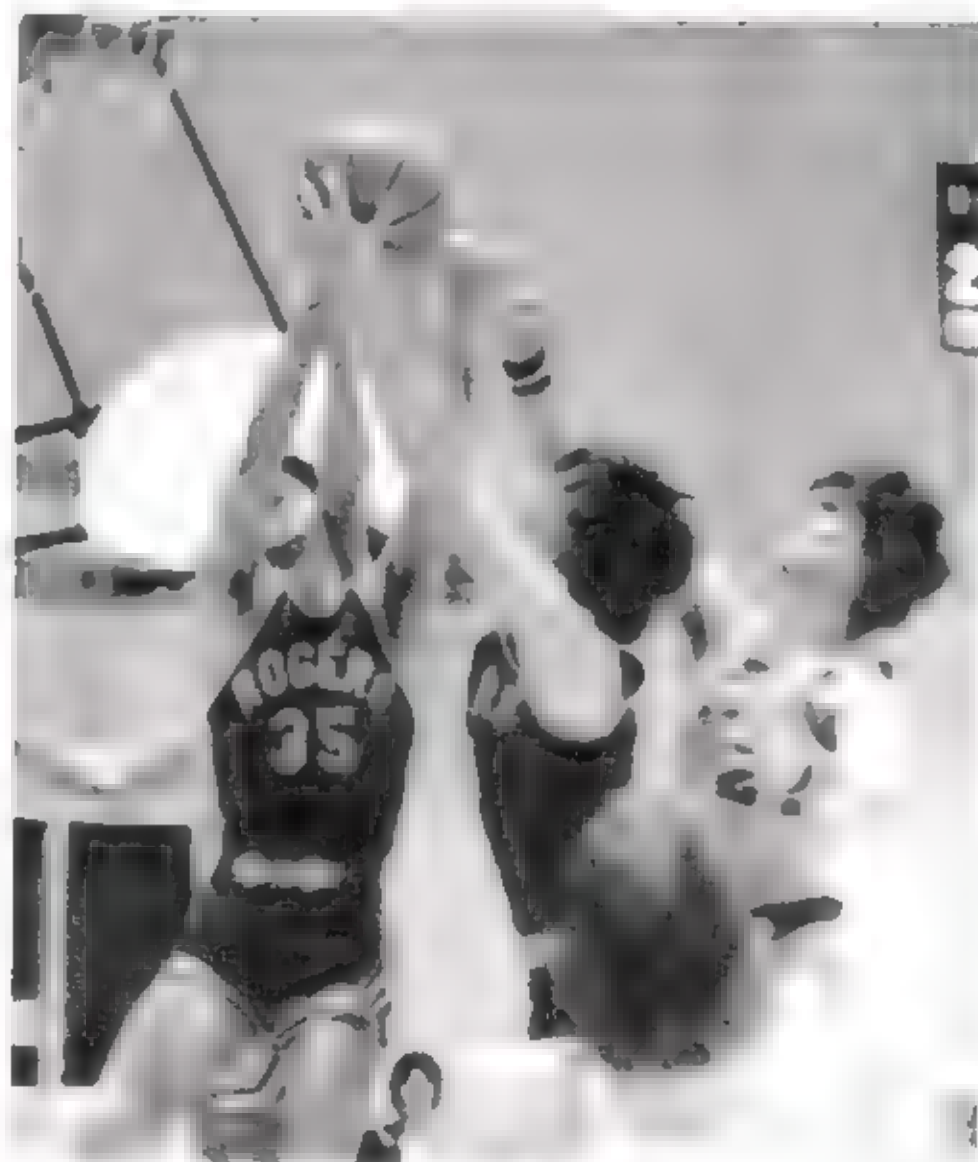

In Shadles 71 to 69 victory over Rogers Shadle was led by Kevin Campbell's 29 points including the last 10 Shadle points. Kim Hubbart had 10 points and Stan Bulmer had 8 points in the game. With the score tied at 69 all and 20 seconds left in the game Kevin Campbell intercepted a Rogers pass to give Shadle one last chance. With only a couple of seconds left in the game Campbell got the ball around the foul line then turned around and put up a jump shot that gave Shadle a victory and 3rd place in the tournament.

Girl Gymnasts 1st in Districts; 2nd in Regionals

Nineteen-seventy-five's girl gymnasts were united as one as they strived for the same goals. Their goals were achieved as they won meet after meet; tying Ferris for first in the city of Spokane, winning the Districts, taking second in Regionals, and placing tenth at State competition. These were big accomplishments for such a young team.

The team consisted of Juniors and Sophomores, with the exception of Eileen Wihlborg, the only Senior. Eileen was on the team for three years and lettered in her Junior year. She excelled in the area of the uneven bars.

Nancy Barrett, the Junior leader of the team, placed fourth at Districts and seventh in our Region. Nancy competed in all events, her strong areas being the balance beam and tumbling. Maureen Williams, another strong member of the team, also competed all-around at the meets. Maureen's best areas of tumbling and floor exercise led her to several place awards, sixth at Districts, and tenth in Regionals were included in those.

Lyle Pugh, in his 17th year of coaching the team, was pleased with the outcome of the season. Coach Pugh was assisted this year by Nancy Goodman, who was in her first year of teaching.

Tanksters Second At S-

The Shadle Swim team this year had fifteen swimmers and three divers. Shadle took first in the city for the 14th year in a row, and took first in District for the 8th year in a row.

Eleven members of the team qualified for state, which was held at the University of Washington, on Feb. 28 and Mar. 1, 1975. Shadle took second out of 64 other schools competing. They competed in all 11 of the featured events, placing among the top five of eight of them.

The top ranked swimmers this year were Bryan Gadeken, who is 22nd in the world, and 15th in the nation, in the 1500 meter free style. Bob Zimmer, who is state champ in the 100 back, and is up for High School All American. Craig MacDonald, who took second in the fly at state. All of whom qualified for Nationals, at state.

At state Bob Zimmer came in first in the 100 yard backstroke, and Bruce Wakefield took fifth. The Medley Relay Team took first with Mark Lang, Craig MacDonald, Bob Zimmer, and Bruce Wakefield as swimmers. Craig MacDonald placed second in the 100 meter butterfly. In the 50 free style Bob Zimmer took fifth place, and Mark Lang took tenth in the 100 meter free. Bryan Gadeken, Mark Lang, Craig Benson, and Ken White all participated in the 200 meter free, taking third, sixth, seventh, and tenth respectively. In the 500 meter free Bryan Gadeken took third, Craig Benson took sixth, and Ken White took seventh. Craig MacDonald placed fifth, and Bruce Wakefield tenth, in the 200 meter individual medley.

Tami Ragland Chosen As 1975 Sweetheart

"Love Is All We Need" was the theme of the 1975 Sweetheart Dance held on February 15. The highlight of this year's dance was the coronation of Shadle's Sweetheart, Tami Ragland

The dance was held from 9 30 until 12 30 in our cafeteria. Captain Jack was the band and Dorian took the pictures.

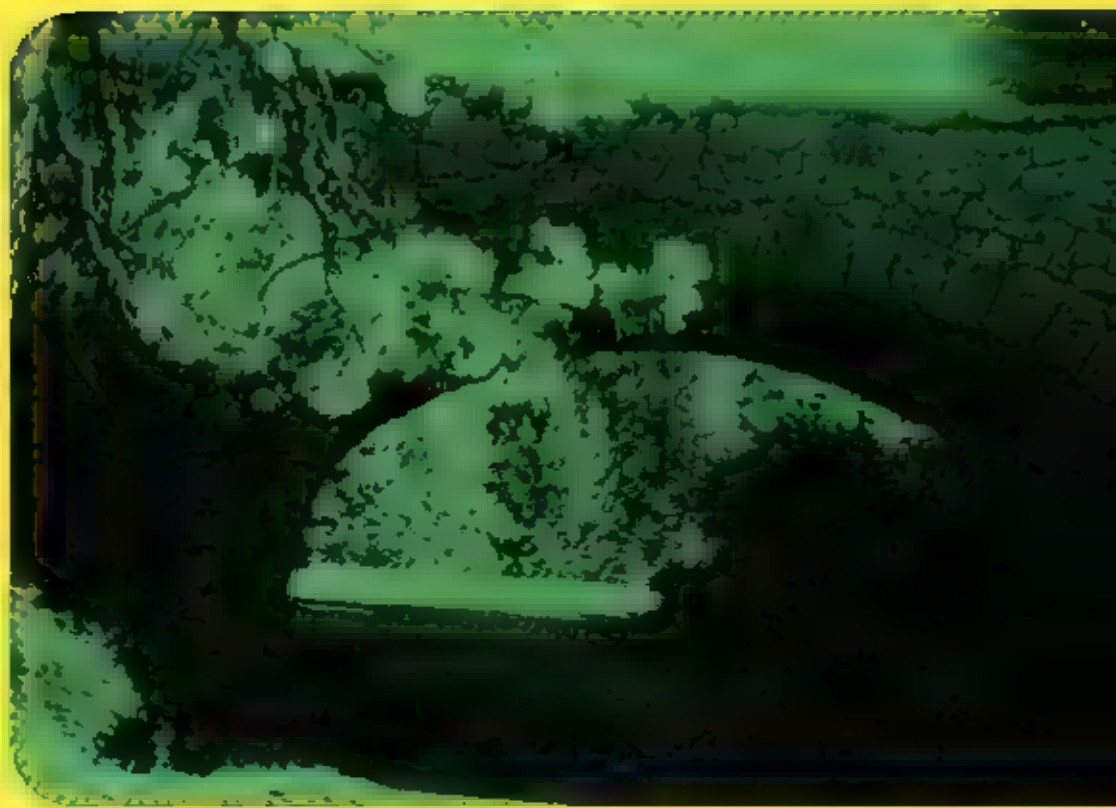

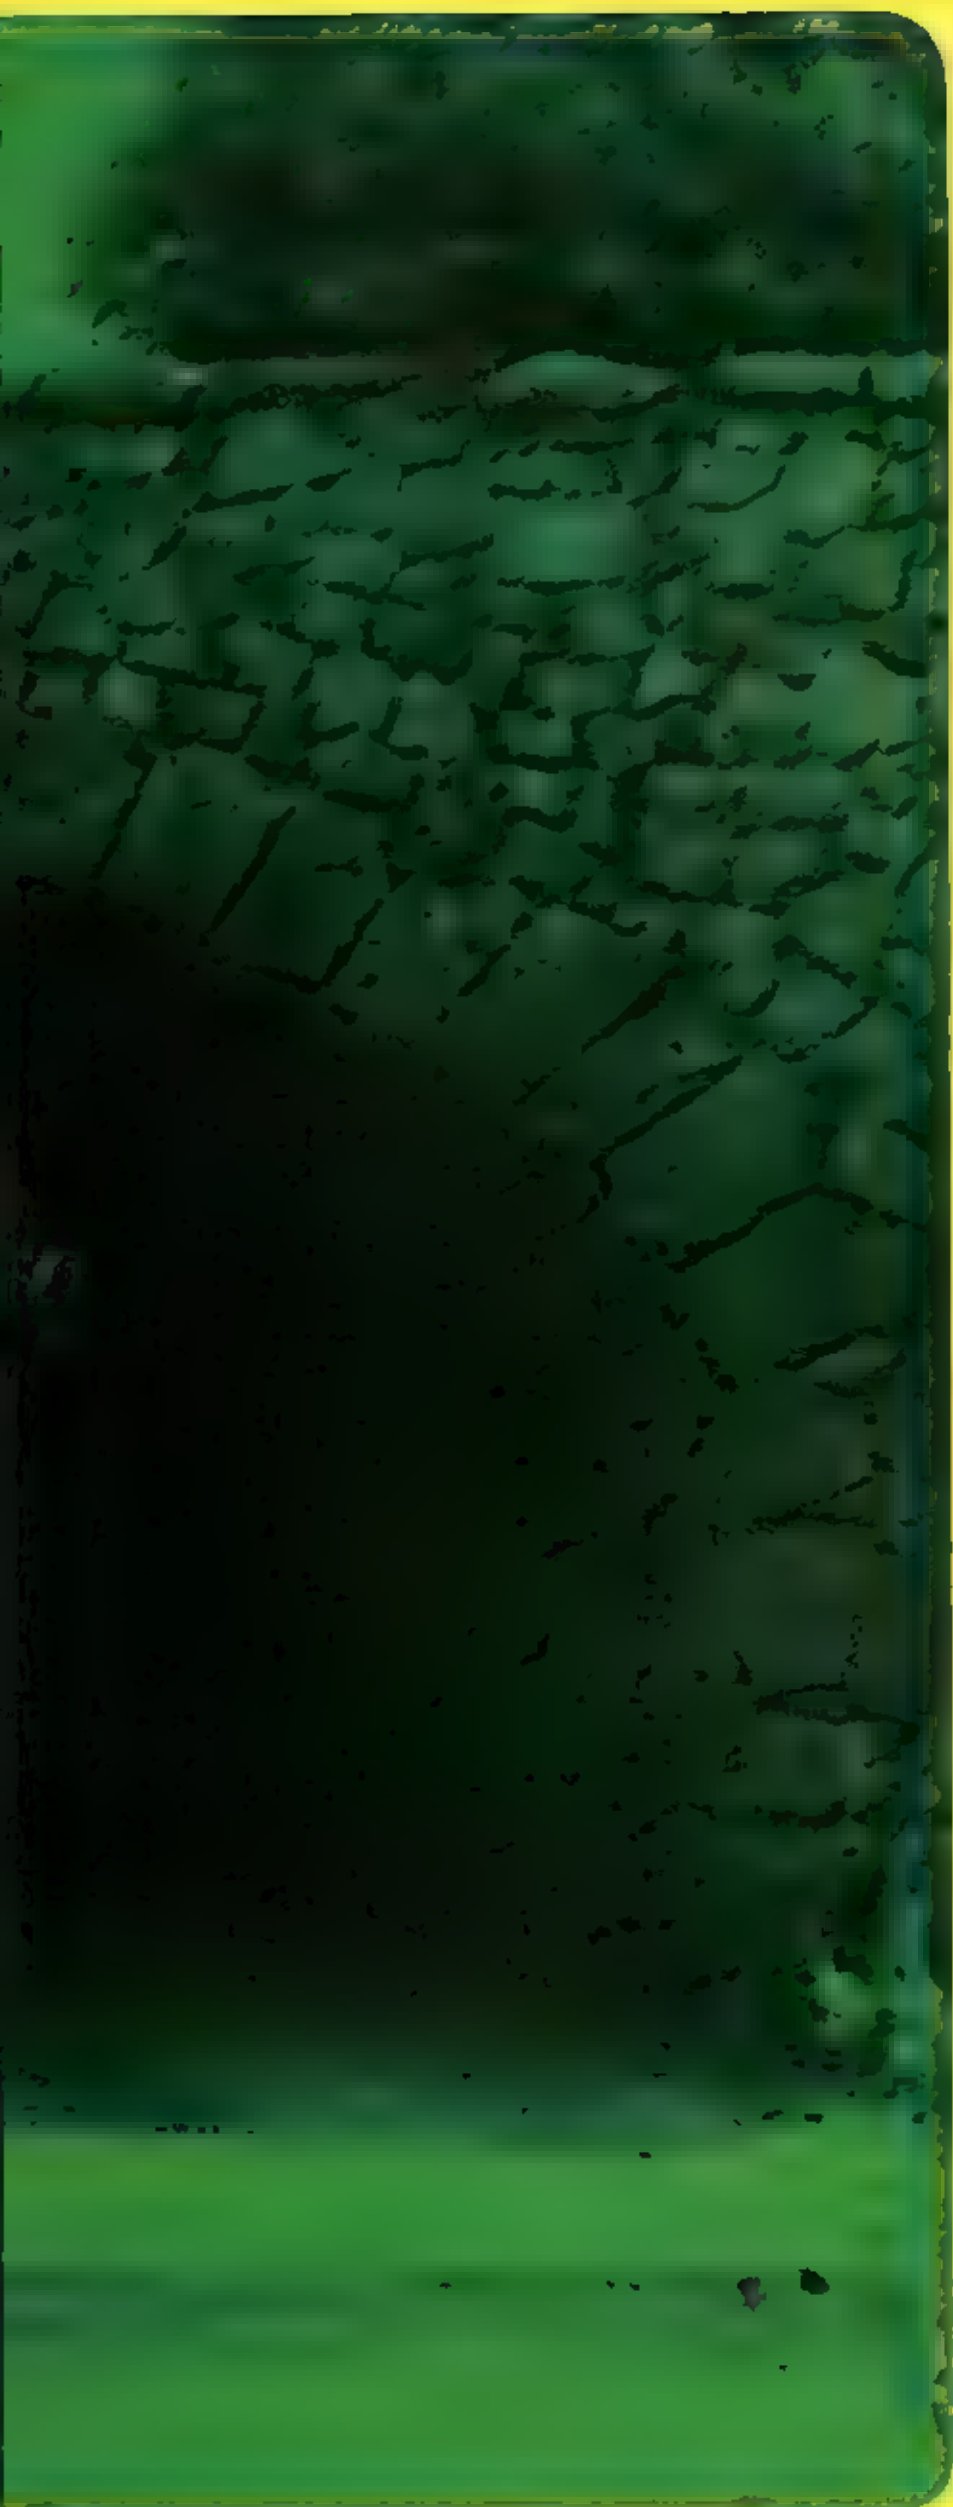

Tami was chosen from five other finalists which were selected by the guys in each homeroom. Darby Duchow crowned her as the 1975 Sweetheart during the dance's intermission. The five other finalists and their dates were. Janet Dirkes and Jon Buerstette, Vicki McGougan and Tom Kaluza, Risa Ragland and Brad Bowman, Denette Schlepp and John Bookwalter, Eileen Wihlborg and Craig Erickson.

Spring ASB; New Policies, Old Faces

Above Left. The spring ASB officers pose for their group shot. Above Right: Custom Wheels and the Four Sicks gave a 50's con sponsored by ASB. Left:

Gene Hawkins, ASB Treasurer, plays the saxophone in his 4th. period band class. Above: Dave Zaccaria ASB President, sits atop his '70 Maverick

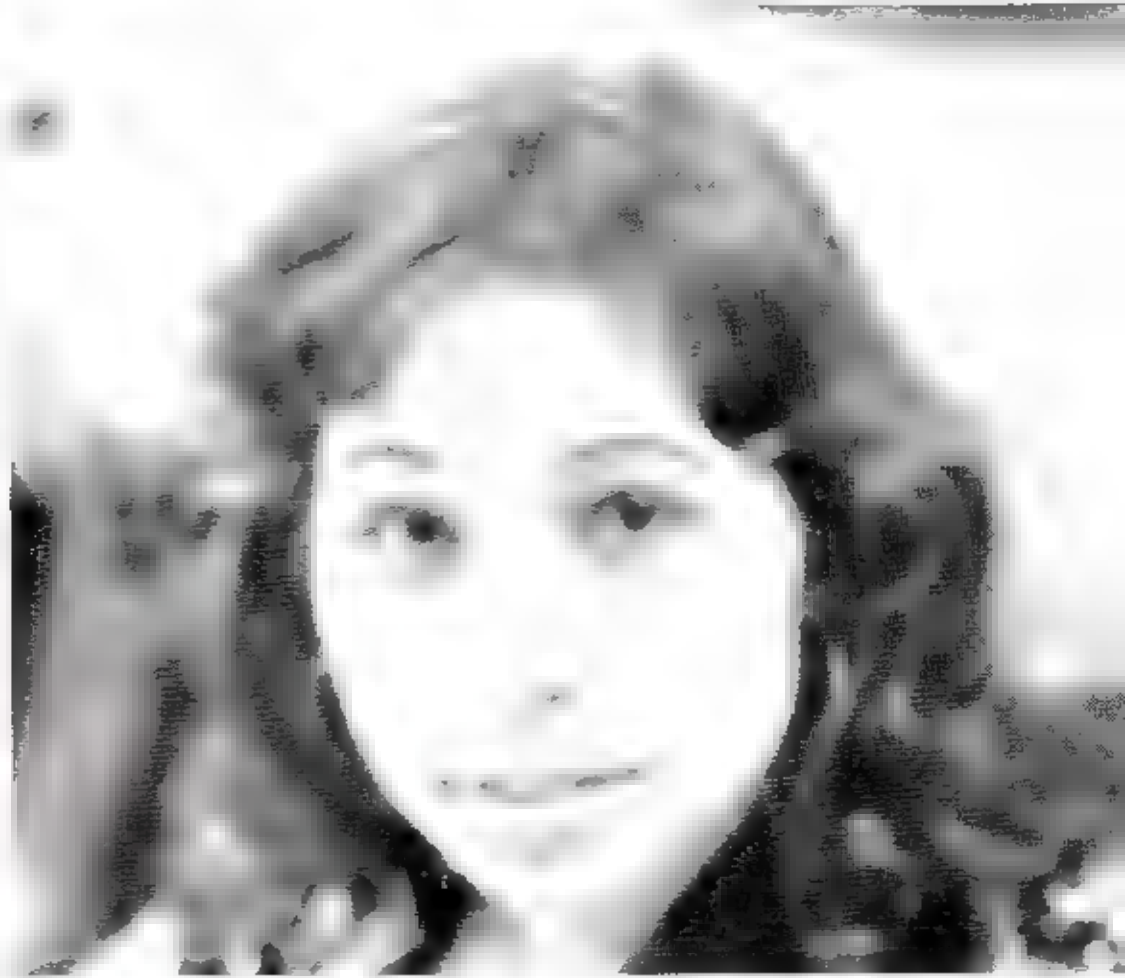

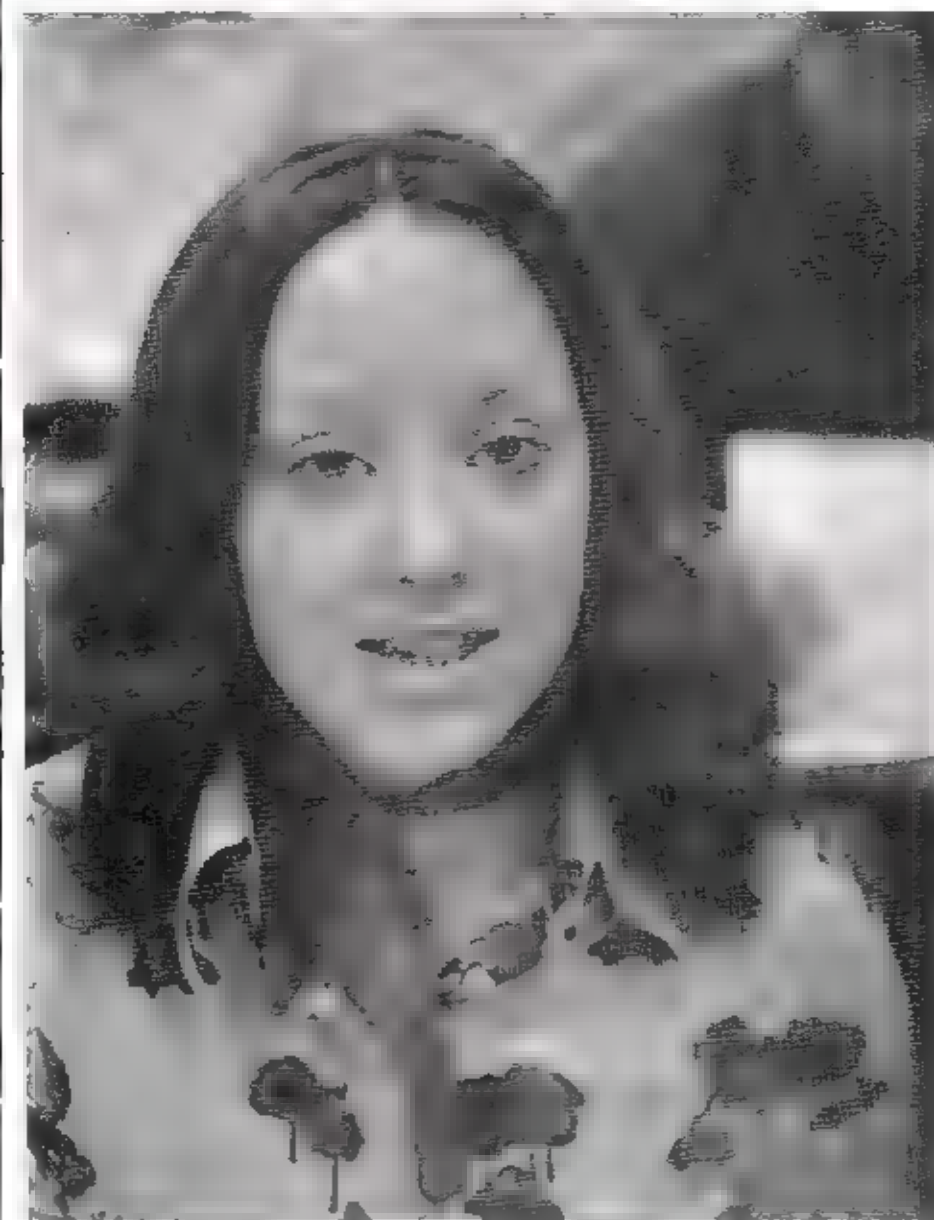

ASB Second Semester brought back two familiar faces and three new ones. Dave Zaccaria headed the list as ASB President and Pam Lieske followed as Vice President. Both were officers the previous semester. The new faces include Kathy Miller as Secretary, Gene Hawkins as Treasurer and Julie Miller filled the post of executive.

The five officers had a very active semester starting with the Crowning of the 1975 Sweetheart. They held numerous cons including Custom Wheels and the Four Sicks and Amplified Version. Some of the other activities included the Kids for Kids program and the city-wide "Thank you Spokane" project. They raised money for The March of Dimes, Muscular Dystrophy, Retarded Citizens, The Heart Fund, and Easter Seals.

The major changes in ASB were the evaluation of Cheerleading and Elections. New programs were set up to select both new cheerleaders and new officers. Programs that would be fair to all people involved. Dave's term was based on that it wasn't up to the officers to decide all the activities. It was up to the Students. Dave said, "If each and every student used his power of thought we'd have so many new ideas that we'd have a more productive semester. Dave stressed that ideas get things started and the suggestion box was the place to put them

Summing up the semester a lot of changes and a lot of new ideas that's what it was all about.

Upper Left: Vice President Pam Lieske poses in Mr. Chandler's office. Above: Julie Miller and Kathy Miller, ASB 5th. Executive and Secretary, smile demurely. Incidentally, they aren't related.

"Go away!" "Let me sleep!" and "Ohhh!" were the exclams of dismay as the new officers got taken from bed early one Saturday as their initiation began. In pajamas, they paraded through town at six a.m. with bags on their heads and signs on their backs. Then breakfast at a crowded Denny's as the ultimate embarrassment.

Happy Saint Patrick's Day! was the way the new Spring semester officers greeted the student body. Choosing two students, (one guy, one girl) from each class to dress as leprechauns, they showed them on TV in homeroom. People turned in their votes and prizes were given to one winner in each class.

Easter was treated with just as much attention with an Easter Egg Hunt in Shadle Park. The eggs were hidden, then looked for during both lunches. Three prizes were given during each lunch.

Everyone enjoyed the spring girl ask guy dance, "Pieces of April." A casual air was given by the pastel decorations in the cafeteria and the wearing of nice comfortable clothing. Students were entertained by a band called "Outrageous."

A fashion show entitled "Kaliedescope of Spring" was put on by Four Doors East. The popular program was watched by girls who wanted to view it most attended!

The annual Mother Daughter Tea was held on May 21, 1975. The daughters treated their mothers to an evening of entertainment put on by Shadle students.

Every month the officers and executive council selected one girl to be honored for her hard work and dedication in and around Shadle. Each girl was given a charm as a remembrance and her picture was put in the G.L. display case.

The organization has been guided for several years by the same advisor. Mrs. Adams has given up much of her time and energy to assist in all undertakings.

Hi Deca, Deca Fi Send Representatives to State Conference

Some people don't know it but there are two Deca's! That's right. These business minded seniors are divided into two groups; Hi-Deca and Deca-Fi. What they mean nobody is quite sure. But the DECA part means Distributive Education Clubs of America. This year four representatives were sent to Seattle for a state conference. Doug Favaro, Risa Ragland, Kathy Pacque, and Ken Biggerstaff went to Seattle in November. Doug ran for state president and Risa ran for secretary. Unfortunately, however, they both lost by small margins.

Deca's big project, besides finishing manuals and holding pizza feeds, is running the Deca snack stand. Deca pushed for a clean cafeteria to keep their snack line and with student cooperation they achieved a clean lunchroom.

Hi-Deca sold animal candles at \$2.00 a piece to raise money for the ASB Christmas Fund. They raised \$100 to contribute to the fund.

In the years to come Deca will certainly help these people in everyday business matters.

Debate Team

On March 24, 1975, the 16th annual Shadle Park Lilac Coronation took place. A colorful stage was set forth by beautiful, lighted decorations—a perfect setting for the crowning of the 1975 Shadle Park Lilac Princess. Creative moods of anticipation and speculation produced a fairy-tale setting around the new Princess, Eileen Wahlborg.

Master of Ceremonies, Dave Zaccaria, presided over the ceremonies. The Judges were introduced, followed by the candidates and their escorts. Dave's introduction of the Lilac Candidates made everyone in the audience elated with emotion. Janet Dirks, Sandy Erickson, Lois Jensen, Pam Lieske, Bettina Lee, Laurie O'Hare, Risa Ragland, Tracy Rothstein, Salli Weirwright and Eileen Wahlborg were the candidates. And their escorts respectively, Jon Buerstette, Doug Favaro, Gary Gibbs, Scott Morton, John Bookwalter, Craig Degemess, Earl Whittaker, Terry Davis, Wayne Bell and Mark Sannes.

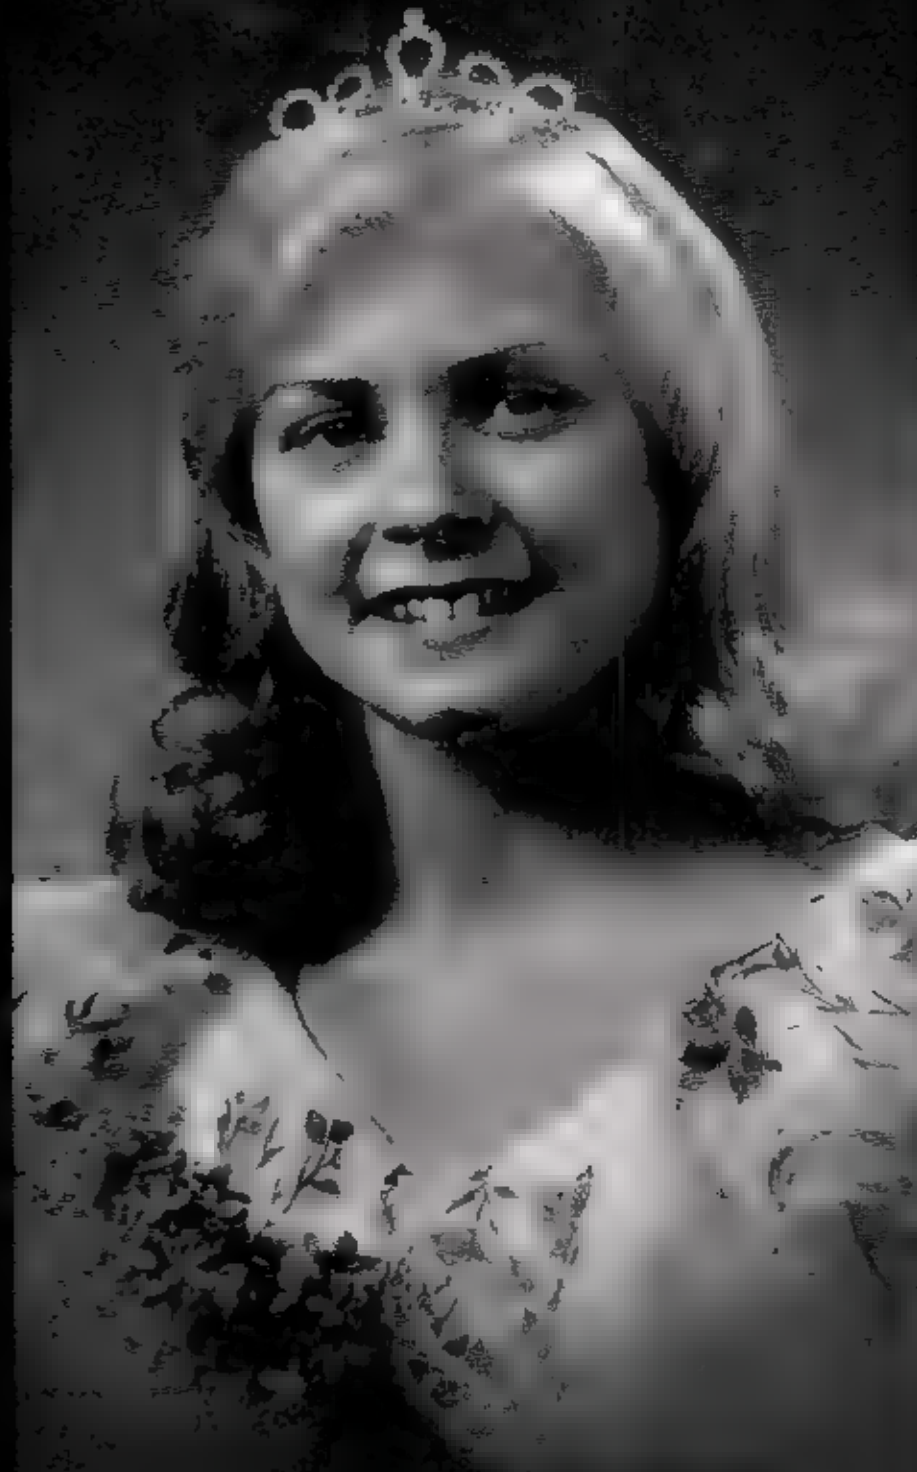

Candidates were judged on speaking ability, appearance, and poise. Their three to five minute speech was based on the Question "If you could have one special talent to benefit mankind; what would it be and why? Later, impromptu questions allowed the judges more time to consider their choices.

While "Stairway to Heaven" was played, Class of '75 President, Ken Rice, handed Dave Zaccaria the envelope. Dave began — "Ladies and Gentlemen: the 1975 Shadle Park Lilac Princess is ... Eileen Wahlborg". Screams and yells went up as the audience proclaimed their agreement with the Judges. Surprise, happiness and relief beamed from Eileen's face as she first addressed Shadle students as their Princess. "These nine girls behind me, with their smiles and confidence share the honor. It belongs to each of them too". Following the nine other finalists, the audience rushed to the stage to congratulate Eileen. The tears and smiles were never so abundant.

A reception honoring the forty original candidates and their parents was a new addition this year. Princess Eileen was also honored; the center of attention as her friends surrounded her.

Language Arts Speak Out

This year the Language Arts Department offered a program designed to be practical, imaginative and exciting.

Mr. Frank Yuse said, "English is our language. No one can neglect the study of it in it's varied forms-spoken, written, and visual. . The Communications skills of reading writing, speaking, listening, and thinking are extremely vital in our modern world and everyday life. Also, the nourishing of our imagination and intellect through literature are equally necessary for survival and human growth."

The Foreign Language offered this year were designed to equip the student with a working knowledge of a particular language for a special and practical use.

The classes offered this year were the classics of Latin and Biblical Greek, along with the modern language of French, Spanish, German, and Russian Mr. Yuse said, "The study of a foreign language will help a student understand and appreciate a culture not his own, but one that he must accept and live with"

Social Studies Forge Ahead

The Social Studies department, headed by Don Miller, hasn't changed much in the past few years class wise but teacher wise it most certainly has. Added to the S.S. teaching staff this year was Coach Davis and Mr. Via. Although they are not new to Shadle, they are new to the subject. Classes range from Russian history to CWP, and the subjects cover any where from the beginning of time to the up to date President Ford.

"This year there was a large enrollment in the Science courses," said Mr. George Ross.

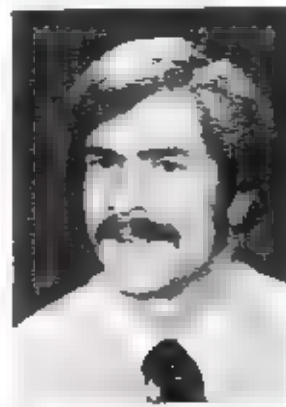

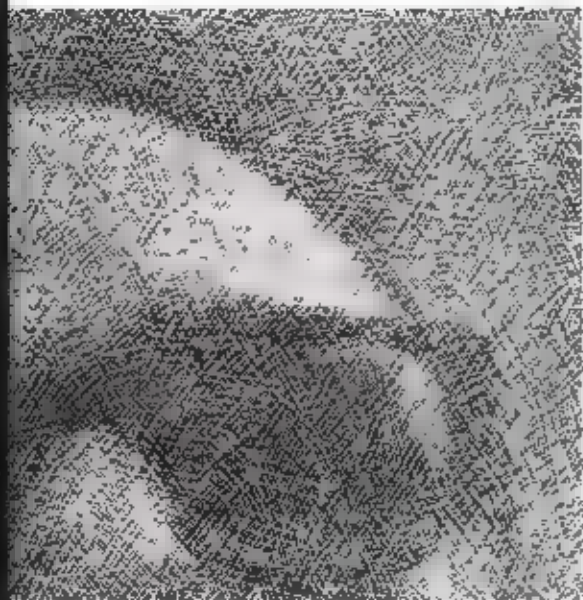

There were no new courses offered first semester but there were several second semester including Organic Chemistry and Biological Techniques.

Also, there were three new Science teachers this year at Shadle. Mr. Parton, who taught at Glover, Jr. High, taught Chemistry and Physics. Mr. Whitman taught Biology and Mrs. Burt taught Physics and Biology. All three said they enjoyed teaching at Shadle.

So, as you see, there were Science classes for everyone at Shadle this year.

The main aim of the Business Education Department is to prepare Shadle Students to go to work in the business community in sales, distribution, office, etc. The only new course this year was Office Practice, a non-shorthand course for seniors.

Mr. Edward Feldhusen states, "We have up-to-date equipment to teach current business procedures. CO-OP and DECA give on the job training and experience while still in High School."

Assisting Mr. Feldhusen were Mary Griggs, Harlow Moe, Jim Morlan, Georgialae Smithpeters, and Robert Stockman, teaching various classes of Secretarial Science, Distributive Education, General Business, and Business Machines.

"Many students will work and earn their way through college," says Mr. Feldhusen. "Skills enable them to get a better job."

"Those students not interested in college need to prepare themselves for a job and advancement here at Shadle. And there are many opportunities."

The Mathematics Department continues to feel the pressing need of mathematical knowledge in an ever-changing world. This, we aim to teach students to think logically as well as to acquire the manipulative skills so essential in such a complex society.

Although we feel the importance of continued preparation for mathematics courses in college, again this year we have emphasized mathematics for the non-college bound as well. In the fall our Senior Math enrollment reached an even higher all-time peak of over 240 students.

Above all others, it is the goal of the Math Department that every student, whether college or non-college bound, will complete each of his math courses with a desire to learn more mathematics.

Home and Family Life; Popular Classes

Home and Family Life classes increased due to growing interest among students in the variety of courses now offered. Co-ed Social Relations and Foods classes continued to expand allowing boys to study subjects originally for girls only.

For years boys invaded Foods classes, learning to cook, operate the stove and wash dishes along with the girls.

Observation classes such as Child Development makes a more interesting class. It helps the students to understand the behavior of Children and how to handle them in an uneasy situation.

Fine Arts Excel High

Paintings, Drawings, Ceramics, and Jewelry, represented the Shadle art department. With aid of individual talent, the students created Vases, Rings, Sculptures, and Pictures. The Music department is outstanding this year in the way of Jazz Lab Band, Jazz Rock, Choir, and various other music groups. Mr. Kornmeyer is teaching Chamber Choir, Concert Choir, Girls Chorus, Piper, and Ensemble. Mr. Bentz is teaching Pep Band, Jazz Lab Band, Orchestra, Band, and Jazz Rock. Mrs. Halseth is teaching Basic Art, Cr. Drawing, Painting, and Senior Stu. Mr. Gregg is teaching Lettering, and Basic Art 1. Mrs. Goodman is teaching Lettering, Commercial, and PE. Mrs. Couture is teaching Science and Advanced Horticulture. Mr. Alex is teaching Jewelry, Sculpture, and Ceramics. All in all it was a fantastic year for Art and Music.

In these days of growing prices and inflation students find it difficult to afford to keep their motorcycles, electrical appliances, and furniture in shape. The Shadle Park Industrial Arts Center is teaching the Students of Shadle Park to keep their belongings in good condition. With the talents and skills learned in the Industrial Arts Center the pupils have learned to do the labor on their motorcycles and other possessions and therefore will not have to pay the high labor cost for something they have learned the skills at Shadle Park High School. Mr. Schmidt, wood shop; Mr. Brandon, motorcycles maintenance; Mr. Jones, electronics; Mr. Clipperton, Power Mechanics; and Mr. Sanborn, Metal Shop. They have done a great job educating their students who will go into their fields as a professional thanks to the fantastic job done by Shadle Park Industrial Arts Department.

Far right: New to Shadle was a girls cross country team. And they were fast! Right: Gary Davis instructs an officiating class, new to Shadle also. Below: Glen Willard, a senior shows his talent with a basketball. Far right: Mr. Henrey exit his TSE car with the help of a pair of crutches. Mr. Henrey had a leg injury in the school's Manta. TSE instructors were Mr. Henrey, Don Mateer and Robert Peters. Below right: PE instructors were Gary Davis, Varsity Football, Lyte Pugh, Gynastics coach, wrestling coach, Clyde Combs, diving and swimming coach, Bob (Mercury) Morris, PE department head, Jim Paton, Karate team, football, Linda Sheridan, Girl's PE, Hi Lassies.

Classes

Students are shown participating in the sophomores recreating of a roman banquet as part of their Humanities studies. Shown are Gene Hawkins and Mr. Williams.

Seemingly to be taking it easy, actually sophomore class advisors Denny Moore and Ken Judd are hard at work discussing projects and ideas for their class to work on.

Sophomore Activities Pick Up At Semester

At first glance it may have seem that the sophomore class didn't get much accomplished for their first year here at Shadle, but let's take a closer look at their activities.

Mr. Kelly and Mrs. Moore's Humanities 10 class wrote the Constitution for the class in the fall and then had it approved by the council. Next, the Election Committee was established and the procedure for electing class officers was set up and put into action.

To bring members of the class together, have fun, and in order to get to know each other better, the sophs hosted what was called a Soph. Sports Night at school on April 2, for sophomores only. Those who attended the affair were able to participate in sport events, contests, and a mixer.

Following this, a spring car wash was held, and then elections for officers for the fall of 75 semester were held.

Spring Semester Officers of the Class of '77 are from left to right: Annette Belloit, Fifth Exec.; Dwayne Hieronymus, Exec. Council member; Bonnie Bishop, Exec. Council member; Lennie Bingle, Pres.; Heidi Moss, Treas.; Patti MacDonald, Vice-Pres.; and Melissa Rotan, Sec.

Juniors Compete As Most Active Class

The class of '76 started out with a bang, competing vigorously with the seniors in a car wash, which turned out to be a profitable proposition for both classes.

These industrial juniors were seen sponsoring several Christmas projects, which included having all junior homerooms donate food, toys, and a number of other household necessities to the needy families of Shadle, which they sponsored.

Other juniors were busy helping Santa Claus by answering letters for Kris Kringle sent to Santa in care of Shadle Park High, from children all around the area.

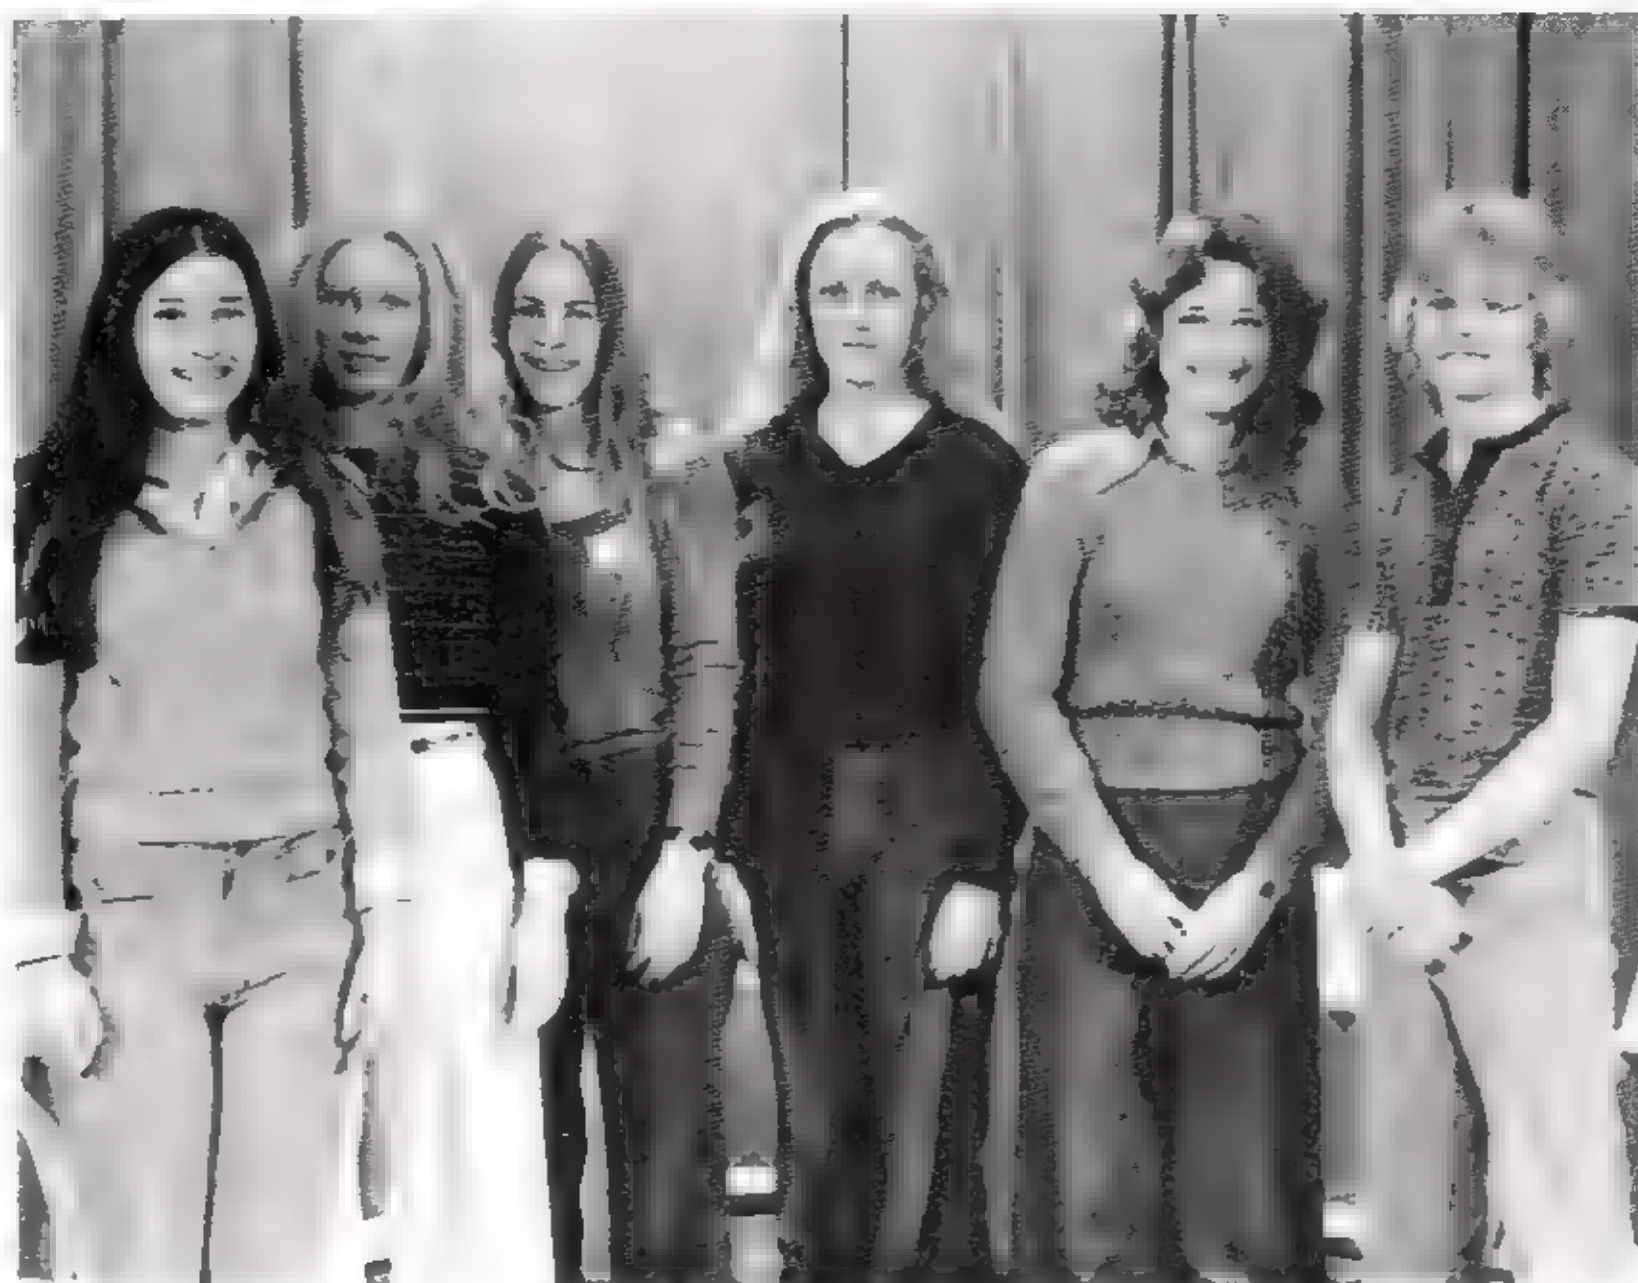

Spring semester activities included the all important Junior Prom and election of officers for the '75 fall semester.

Class of '76 Fall Officers pictured from left to right were: Lisa Laders, Pres. and Council Rep. (73-74), Brian Bays, Pres. (spring), Julie Weber, Sec. (Fall '74), Vice Pres. 73-74, Stephanie Peterson, Historian (Fall '74), Virginia Rhoads, Council Rep., Eric Anderson, Treas., Mark Wiggins, Council Rep.

Advisors for the Class of 78 are from left to right, Gary Leaver, Jan Daisley, and Big Bill Via.

Spring Semester Officers below from left to right are, Kathy Ramsay, Sec., Maren Lindberg, Council Rep., Mndy Hawker, Council Rep., Nicki Butler, Treas., Bunny Siers, Fifth Ex., Kevin Klise, Vice Pres.

Prom Production, Luncheon, Commencement; Seniors Make Last Year The Best

What can be said about the Class of 75? You can say that in 1973 we were the most organized sophomore class in the history of Shadle Park. You can say that in 1974 we were the backbone of the school as Juniors. Well, we are Seniors now. What can be said about the Senior Class? For starters, the Senior Production was a tremendous success. It took a lot of doing to get the administration to let us do it. We didn't disappoint them either. We had car rallies, paper drives, balloon sales you name it, the Class of 75 did it. And we did it with pride. The ASB, Girls League, varsity sports, plus an assortment of other things were dominated by seniors this year. To some, this is what being a senior is all about. To others, being a senior means being released at last to start a new life. To still others, it was a prelude to the trials and tribulations of college.

After it's over, after we're through basking in the glory of finally being out, it'll be hard to leave the friends we've made. We will be going off to college, going into the working world, getting married, and/or living happily ever after (hopefully). Some of these people, we've known since kindergarten. Others, we just met this year. It's going to hurt a little, to have to say goodbye. But we'll always have memories of the beautiful people, and the strange people, and the good times, and the not-so-good times.

This is it, Seniors. It's time to make ourselves useful in this hard-driving competitive world. It's time to find ourselves, our respective places, and the job we can do best. And we can make it, too. Energy, enthusiasm, organization, and terrific spirit are characteristics of the Class of 75. They are also the characteristics of the individuals who make up this class. As a class we made it. As individuals we can make it, too.

As we get on with our lives, we will remember serpentines, junior and senior proms, T-shirt sales and all that Shadle Park has meant to us. And we can rest assured that Shadle Park will remember us also.

There is much beauty in life. This is because there is much beauty in people. Believe in your own special beauty, and be the best possible you that you can be. Hey, Seniors! We made it!!

Above: 1st semester senior class officers are, top row left to right: Julie Nibler and Linda Lewis, bottom row, left to right: Karen Buckholz, Sandi Hebert, and Tami Ragland. Second semester officers were, left to right: Ken Rice, Russ Vanos, Judy Howard, Mike Benesch, and Ken Biggerstaff.

Above: Tracy Rothstein and Terry Davis enjoy a brief encounter in the Senior Court.

Below: Bettina Lee, Pam Lieske, Tracy Rothstein, Risa Ragland, Janet Dirkes, Lois Jensen, Salli Wainwright, Sandy Erickson, Laurie O'Hara, and Eileen Wihlborg were our Lilac candidates for 1975. Eileen, who was chosen as Princess, didn't quite make it into this picture.

This day is yours
 and this hour
 could make or break it,
 What to do? What to do?
 Is there love to be spoken?
 an understanding to be reached?
 or maybe
 there's a misassumption to be
 corrected,
 could be
 a heart to be broken,
 a hope to be squelched
 Speak, speak
 your truth this hour
 try to be happy
 why not
 hug that person who loves you
 without reservation?
 Walk away
 feeling that love
 Be, be
 yourself this hour,
 pretending nothing
 Gently, gently,
 if you must let someone down,
 forget them not.
 Reach out, reach out,
 wipe the tear from the cheek
 of the friend in pain—
 the tear may be yours.
 Quietly
 worship your God
 for this hour,
 this day is yours.

Above: "Thanks for the memories — the long, long T-Shirt sale, the Junior Prom at Holiday Hills . . ." The Senior Production was undoubtedly the most successful project in bringing the class together. The Seniors put in many hours of hard work to make the production a smash.

HOORAY! I'M DONE TYPING FOREVER.

Super Seniors Put On Super Senior Production

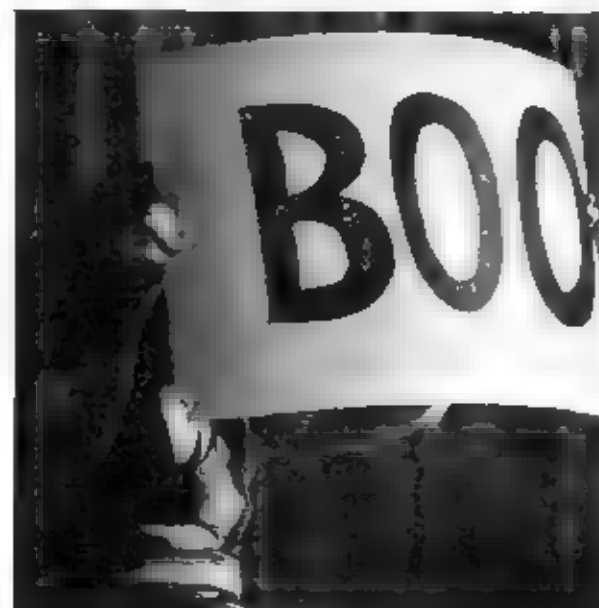

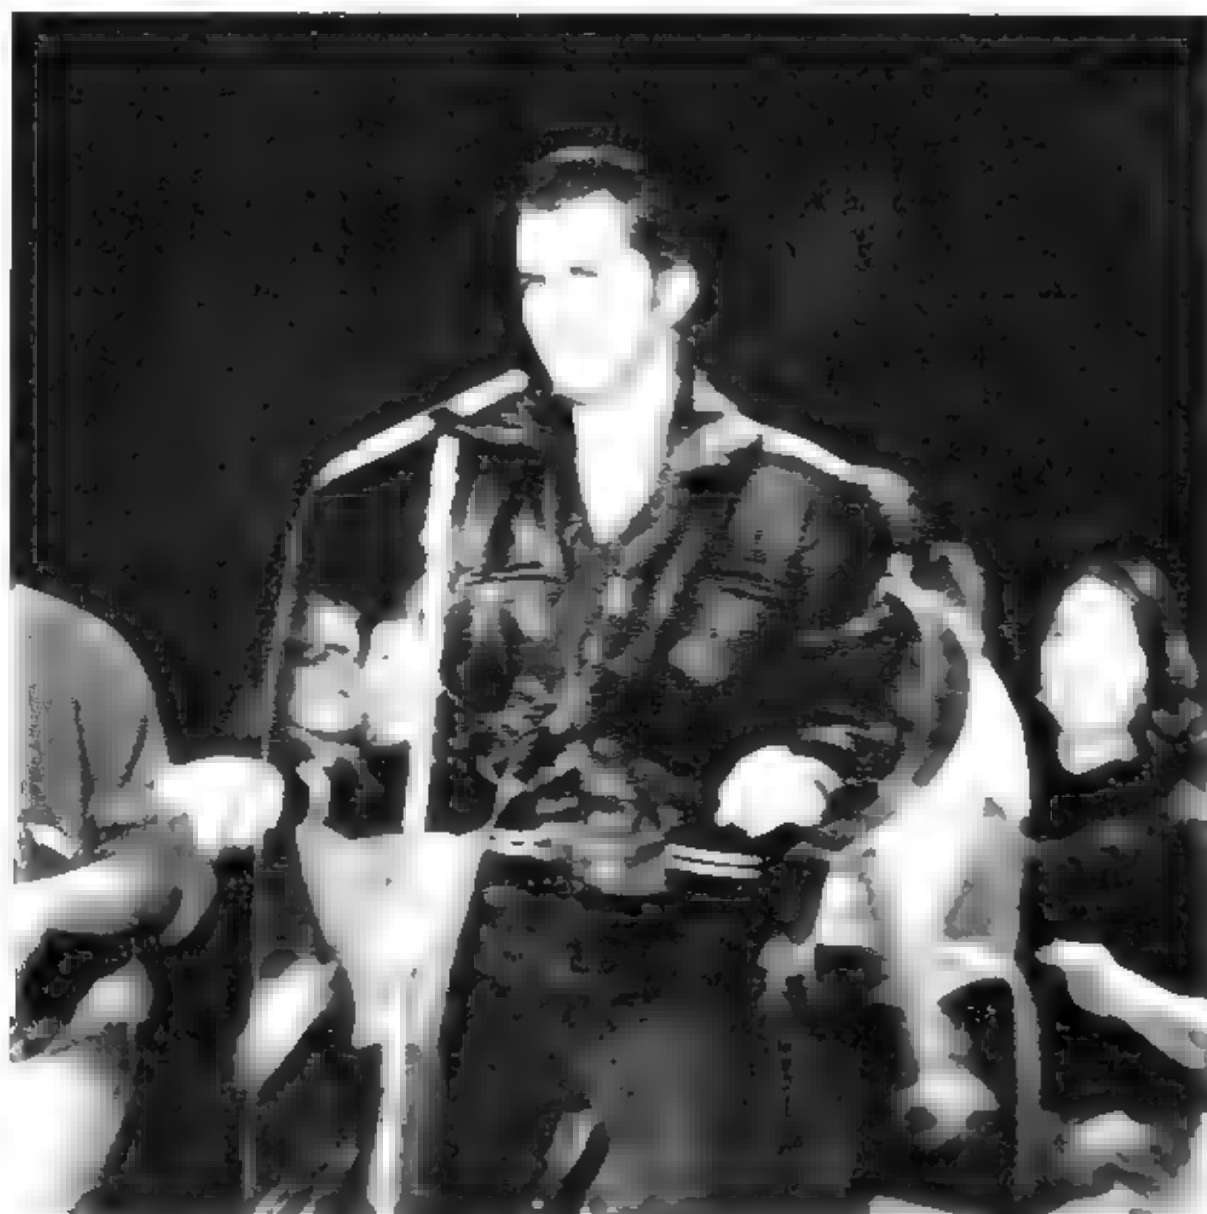

They said it couldn't be done. They said we'd never be ready. But we did and pulled and boy we're ready. On March 12, 1975 the Shadle auditorium was filled to a capacity crowd as 1300 people witnessed the superevent of our 3 years at Shadle. "The Senior Production."

The Show opened in the Year 2000 as Tom receives an invitation to his 25 year reunion. He goes to his attic and comes out with his family album and as he looks through the albums he imagines what life would have been like. **SUDDEN RETROSPECT!** we are sent back to 1870 and placed in a melodrama complete with Mr. McDirt, Nell and Dudley DoWrong. From there we go to the turn of the century when Carrie Nation and her barroom busters were at work. From here we go to the DeKappa Keg, a Frat house party, complete with weightlifters, bathtub gin, and card cheaters. The stage rocked as we jumped to 1950 and Elvis Presley. Elvis belted out "All Shook Up" as the teen boppers stuffed a '57 Volkswagen. Finally, we jump to the year 2000 and Tom comes to the reunion. But, much to his dismay, the old gang has changed.

So many people deserve a great deal of thanks but unfortunately we can't name everyone. But those who were in it will surely remember it. One person who does deserve credit is the Producer of the entire show. He put his blood, his sweat, and his tears into this dream. **THANK YOU VERY MUCH . . . Wayne Bell**

The show was a huge success and will be remembered for years to come. By the way, who was that Mime anyway? I guess we'll never know!

Far left Mr. McDirt (Darby Duchow) tells of his furs and jewels he can give to Nell (Janet Dirkes). Ma is Leslie Fichtenberg. Left Center Bandit, Ken Rice panics as he hears the sheriffs hoofsteps. Left: Elvis (Don Staley) steals the show with his number All Shook Up. Upper Center Ken Rice directs the entire cast in the finale "Thanks for the Memories" In the corner is Barry Meyer as Clancey and Dave Steckel as David Nation. Top. The "Sunshine Boys", Lumber Jack Luke, Scott Morton, Tim Hilsen, Mark Farr, Steve Cain, Ron Mahoney, and Greg Match sing "Let the Sunshine In." Above: Pam Lieske holds the audience cue card for the Melodrama.

Dear Brian,
It was a great year, wasn't it? You and I had somewhat of a good time in Partridges class, until we got "parrolled" into different classes. I have a real great and rewarding summer.

What a friend we have in time
Gives us children, makes us wise
Tells us what to take or leave behind.
And the gifts of growing old
Are the stories to be told
Of the feelings more precious than gold

Friends, I will remember you
think of you, pray for you
And when another day is through,
I'll still be Friends With You

Baby's days are never long.
Mother's laugh is baby's song.
Gives us all the hope to carry on.

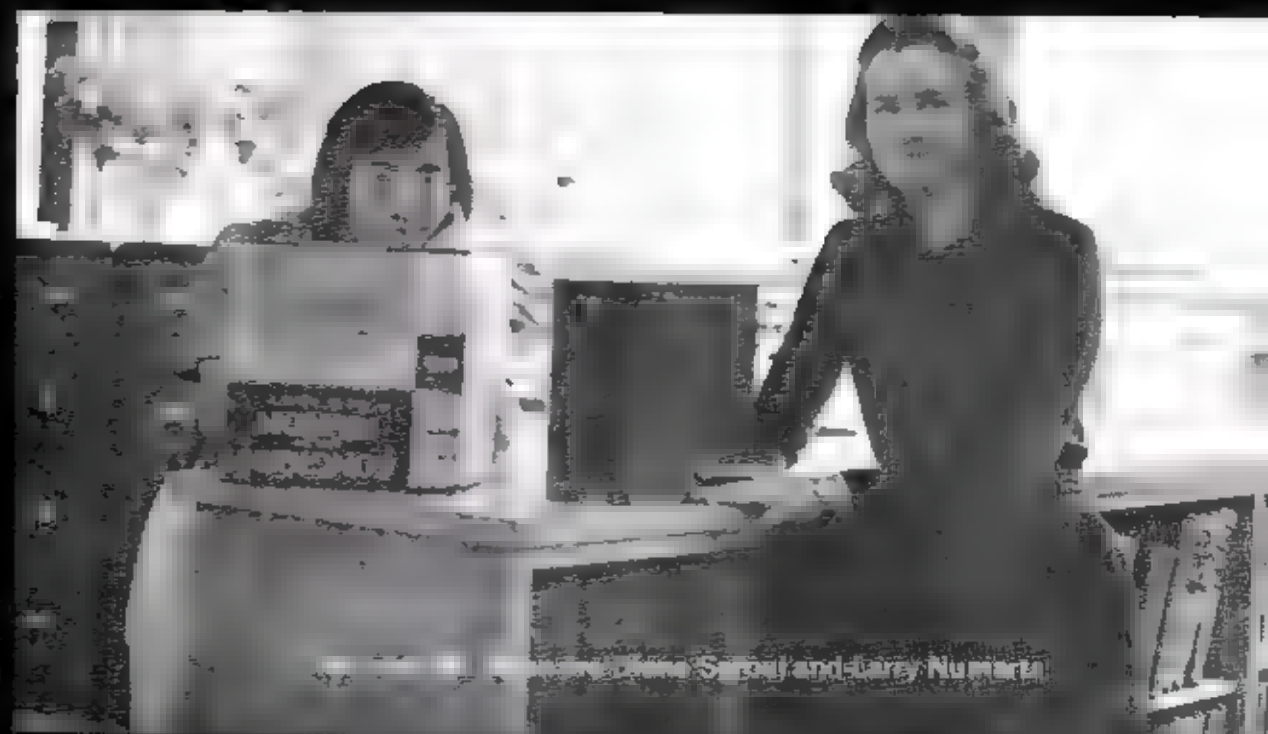

Friends, I will remember you
think of you, pray for you.
And when another day is through,
I'll still be Friends With You.
